Do not hesitate to contact me should you have any further questions.

Your insurance policy does not cover any loss of or damage to property caused by and related to riots, wars, political acts, public disorder, terrorism, or any attempted acts of this kind,
SASRIA provides cover for insured events which occur in the Republic of South Africa (RSA) and covers you for material loss or damage, including malicious damage, caused by any person or group of people taking part in a riot, strike, lock out, civil commotion or any other act with a political, social or economic aim, objective or cause, or in protest against any state or government. This cover, if taken and stated in your schedule, only provides cover in South Africa (RSA).

Sincerely,

Daniëlle Labuschagne
