ATACAMA

THE JOY OF TAILOR-MADE

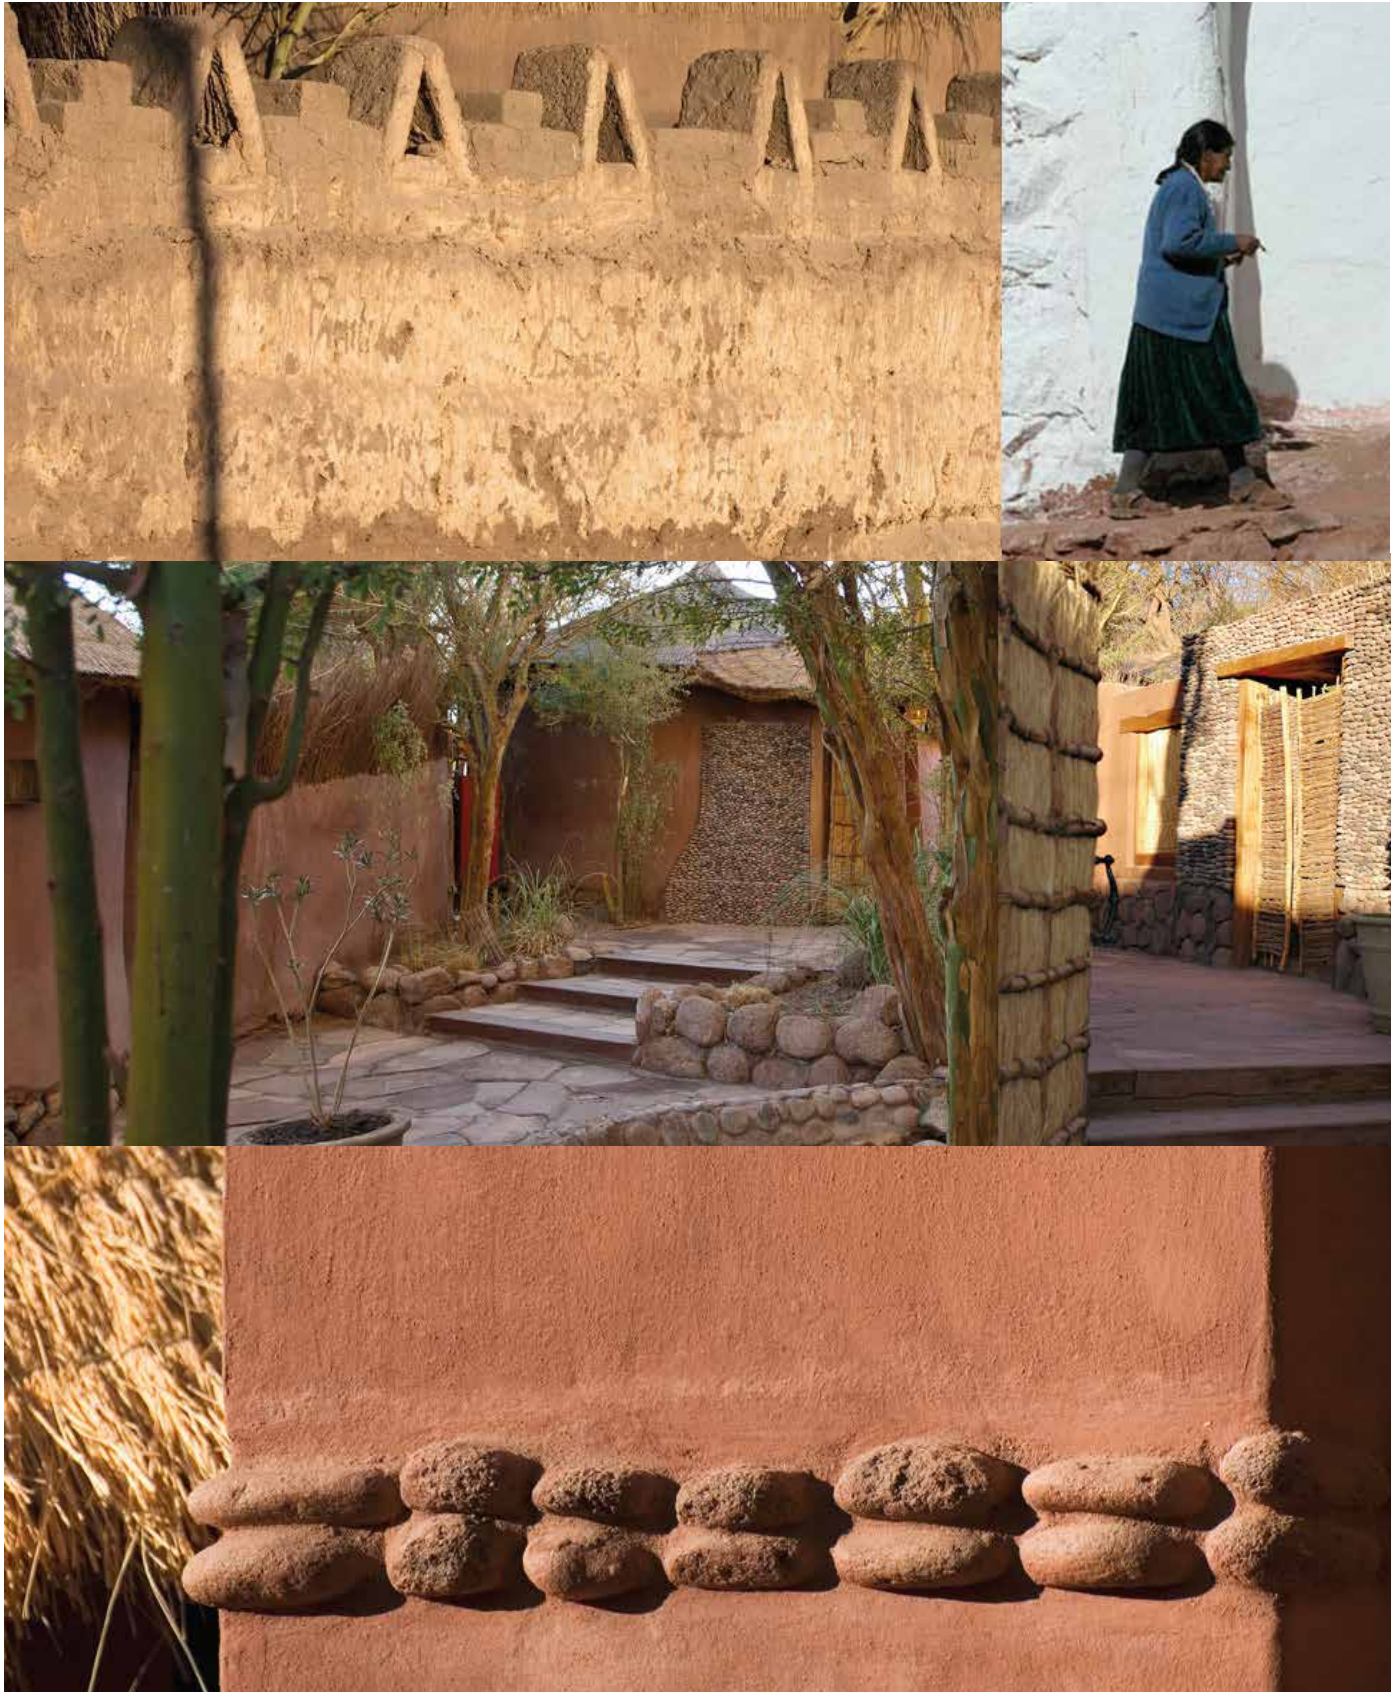

SAN PEDRO  
DE ATACAMA  
CHILE

## A BIT OF HISTORY...

San Pedro de Atacama has always been an oasis stopover for travelers searching for water, food, shelter and rest to continue on their journey. In an ancient site bounded by a historic wall that historically sheltered shepherds and herders, we erected a house of adobe, stone and wood, in which to continue the noble task of welcoming travelers who wish to live the memorable experience of the Atacama Desert.

## OUR LOCATION

Awasi is located in the town of San Pedro de Atacama, a few blocks from the historical center, the market, the old church and the Square.

This proximity allows our guests to get to know the authentic "town life", while enjoying their intimacy in our hotel.

Since 2006, we have continued to offer memorable tailor-made experiences, accentuating with details the culture and nature of the Atacama Desert.

## OUR CUISINE

Our restaurant, for the exclusive use of Awasi guests, offers a daily selection that highlights local gastronomy, adapted to your requirements, and provides the culinary excellence that characterizes us as Relais & Chateaux members.

For over 7 years, Chef Juan Pablo Mardones has headed the Awasi Atacama restaurant team and devotes much of his time to studying and seeking native staples and local producers, using ingredients from the desert such as different varieties of potatoes, the chañar sweet fruit from the Chilean chañar tree, quinoa and algarrobo (carob tree), so that our guests can relish in a true local dining experience: bringing the desert to each one of the dishes that we offer.
