

# Children at Jaci's Private Lodges

*Family time  
style* *Bush*

1

## Little Rangers Welcome

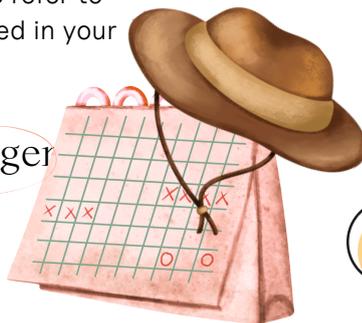

Children join their families on game drives, where our guides are fantastic at including and engaging young explorers. They can also enjoy a gentle river walk, along the Marico River - the perfect way to stretch little legs while discovering tracks, birds, and bugs up close. For full details on drive eligibility, please refer to the terms and conditions included in your booking/reservation.

3

## Jaci's Pups Ranger Course

A fun, educational checklist that turns every child into a Junior Ranger! Challenges include spotting spoor, learning Setswana, and identifying birds and their calls. Your guide signs off each task, and once complete, your young adventurer earns their very own Jaci's bush certificate!

5

*Look for birds & critters!*

## Bush Fun at Jaci's

Between safaris, there's plenty to help you keep little adventurers entertained:

- Giant Jenga and other family games
- Cooling off in your private villa or the main lodge pool
- Bush Treasure Hunt around camp with your guide
- Going through your Pup Pack
- Greenhouse Visits, where children can learn about the importance of recycling, watering and learning about how we grow our produce

At Jaci's, we absolutely love families - big ones, small ones, and everyone in between! Our private lodge is designed with comfort, space, and adventure in mind, making us ideal for family safaris where everyone (yes, even the smallest explorers!) gets to experience the magic of Madikwe.

2

## Jaci's Pups Club Hamper

Each child receives a Jaci's Pups Club Hamper, filled with surprises - what's inside? Well, you'll have to wait and see when you arrive! It's the perfect kit for downtime or for ticking off their Jaci's Pups Ranger Course challenges.

4

## Child Minding & Mealtimes

We offer child minding services by prior arrangement, giving parents a chance to unwind while little ones are well looked after. Our chefs also create fun, flexible, kid-friendly menus, making every mealtime a treat.
