

Kubu Villa

Jaci's Private Lodge

JACI'S
PRIVATE LODGE | MADIKWE

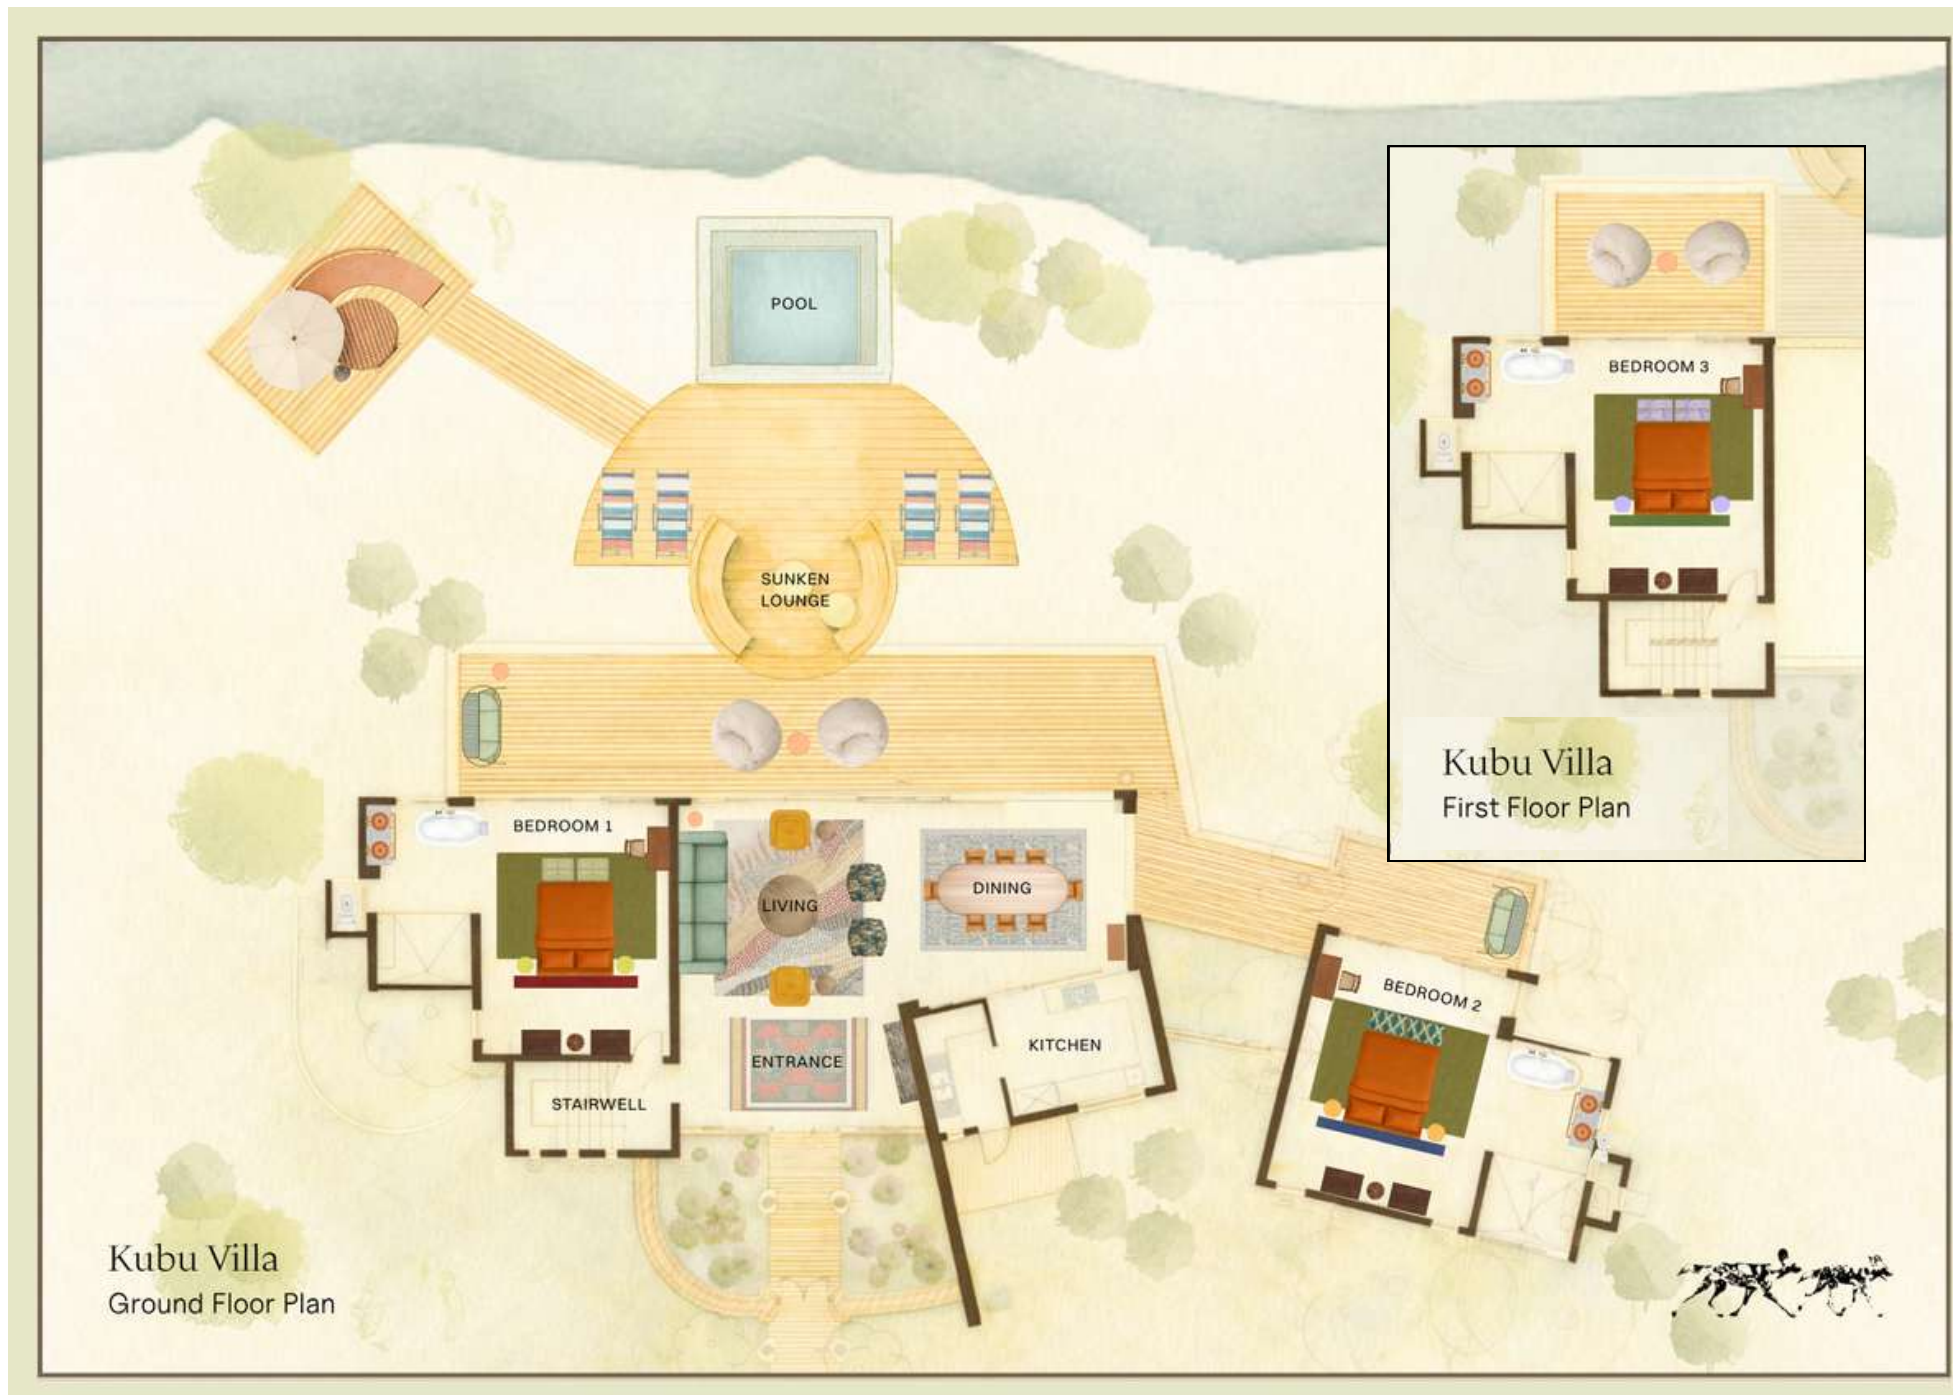

Overview

Set above the Marico River, Kubu Villa is a private-use safari retreat designed for families, friends and small groups seeking space, privacy and a fully tailored safari experience.

With its modern aesthetic, generous proportions and layered deck spaces, Kubu Villa reflects the same contemporary design language as the Safari Suites, while offering the added exclusivity of a standalone villa. Its position overlooking the Marico River and the vegetation beyond gives it a unique sense of place within Jaci's Private Lodge, where guests can slow down, gather together and enjoy the sights and sounds of the riverine bushveld.

Sleeping up to six guests in three en-suite bedrooms, Kubu Villa is ideal as a private safari home for one group, or as a natural companion to the Safari Suites for larger parties travelling together.

A Modern Riverside Safari Retreat

Kubu Villa is the only accommodation type at Jaci's Private Lodge with views directly over the Marico River and into the vegetation on the opposite bank.

This setting gives the villa a distinct atmosphere: peaceful, green, private and connected to the riverine landscape. Mornings may begin with birdsong along the river, afternoons can be spent beside the pool or on the shaded deck, and evenings unfold around the fire pit or over private dinners prepared by your dedicated chef.

The villa's modern aesthetic aligns beautifully with the Safari Suites, making it especially well suited for larger groups wishing to combine private villa living with additional suite accommodation nearby.

Private Safari Experience

Kubu Villa includes a private game vehicle and dedicated field guide, allowing each safari to be shaped around the pace, interests and needs of your group.

Guests can enjoy twice-daily private game drives, including sunrise and sunset stops, with the flexibility to tailor drive times where possible. This makes the villa especially appealing for families, multi-generational groups or friends travelling together who prefer a more personalised safari rhythm.

Children of all ages are welcome at Kubu Villa and may join game drives in the villa’s private vehicle.

Private Hospitality

A stay at Kubu Villa includes a private hospitality team, including a dedicated chef and host.

Meals can be tailored to your group’s preferences and schedule, allowing for a relaxed and flexible dining experience throughout your stay. Whether gathering for breakfast after a morning drive, enjoying lunch on the deck, or settling into a private dinner around the fire, dining at Kubu Villa is designed to feel personal, generous and completely at ease.
