Jaci's Private Lodge

JACI'S
PRIVATE LODGE | MADIKWE

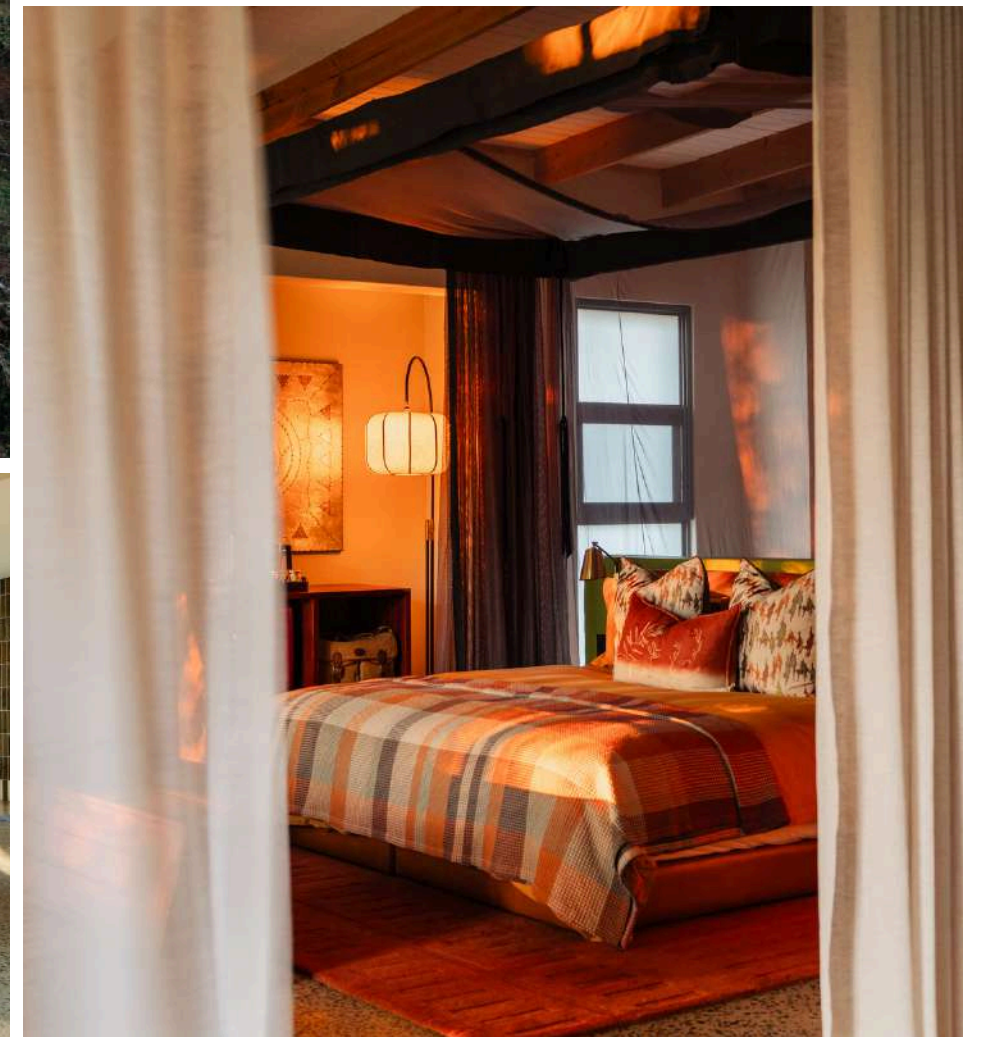

Est. 2008

Overview

Offering all the comfort, design and atmosphere of our classic Safari Suites, the Safari Suite Expeditions are thoughtfully designed for couples, adult travellers and families who would like the added flexibility of travelling with children.

Each of the four Safari Suite Expeditions features the same spacious layout, private deck, indoor-outdoor lounge feel and uninterrupted bush views as the Safari Suites. For adult guests, the suite remains an elegant and comfortable safari retreat for two. For families, the sunken lounge can be beautifully transformed into two Little Expedition Beds, creating a shared safari space that feels considered, comfortable and full of adventure.

Set within the natural rhythm of Madikwe Game Reserve, these suites offer a flexible way to experience Jaci's Private Lodge without compromising on comfort, design or the classic safari atmosphere.

Suite Layout

Each Safari Suite Expedition accommodates up to 2 adults and 2 children.

The main sleeping area can be configured with a king or twin bed setup, while the en-suite bathroom includes both bath and shower. A private viewing deck extends the suite into the surrounding bushveld, offering a peaceful place to relax between safari activities.

The sunken L-shaped lounge can remain as a generous indoor relaxation space for adults, or be converted into two single Little Expedition Beds for children. When prepared for younger guests, the lounge is thoughtfully dressed with proper linens and styling to create a comfortable sleeping area that feels just as special as the rest of the suite.

The Little Expedition Bed

For families travelling with children, the suite's sunken lounge is transformed into a warm and comfortable sleeping space for up to two children.

Each child sleeps on their own Little Expedition Bed, carefully prepared with proper linens. The result is a shared safari experience that keeps families together while maintaining the same considered feel and comfort of the suite.

When children are not travelling, this area remains a relaxed L-shaped lounge, making the Safari Suite Expedition equally suited to adult guests.

Children on Safari

Safari Suite Expeditions are the suite category designed to accommodate children.

Children aged 6–12 years may share with their parents and join scheduled morning and evening game drives. Up to two children can be accommodated in each suite on Little Expedition Beds.

Children aged 5 years and younger are not accommodated on scheduled game drives. Instead, they can enjoy a dedicated ‘Bumble’ Drive after breakfast, early dining options and childminding, all included in the daily rate for children staying in Safari Suite Expeditions.

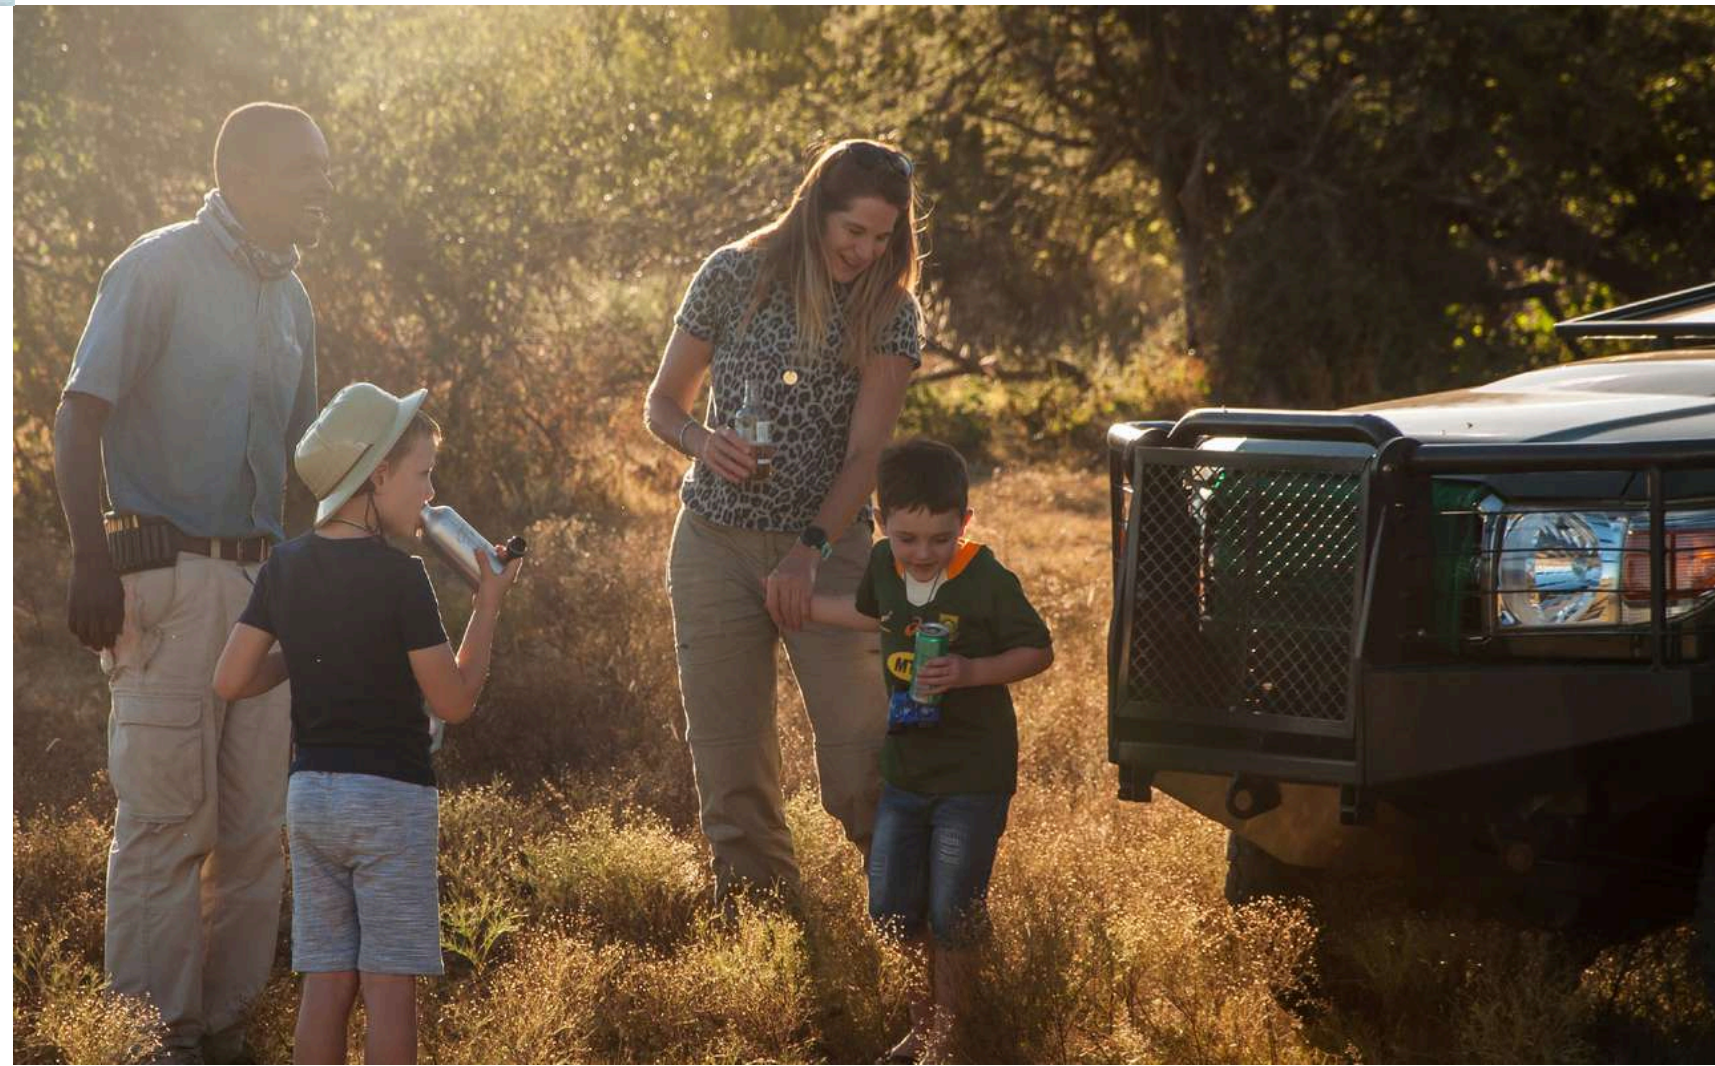

Guests aged 13 years and older are considered adults and are charged accordingly.

The Safari Experience

A stay in the Safari Suite Expeditions includes twice-daily guided game drives in Madikwe Game Reserve, with sunrise and sunset stops forming part of the daily safari rhythm.

Between drives, guests can enjoy the lodge’s shared spaces and signature experiences, including the Thutlwa Deck, Terrapin Hide and, by prior arrangement and subject to availability, the Naledi Sleepout.

The Safari Suite Expeditions are ideal for families wanting the full Jaci’s safari experience, with space for two adults and up to two children in one private and peaceful suite.

Dining & Drinks

All meals are included daily, with dining shaped around the relaxed rhythm of the lodge and the safari day.

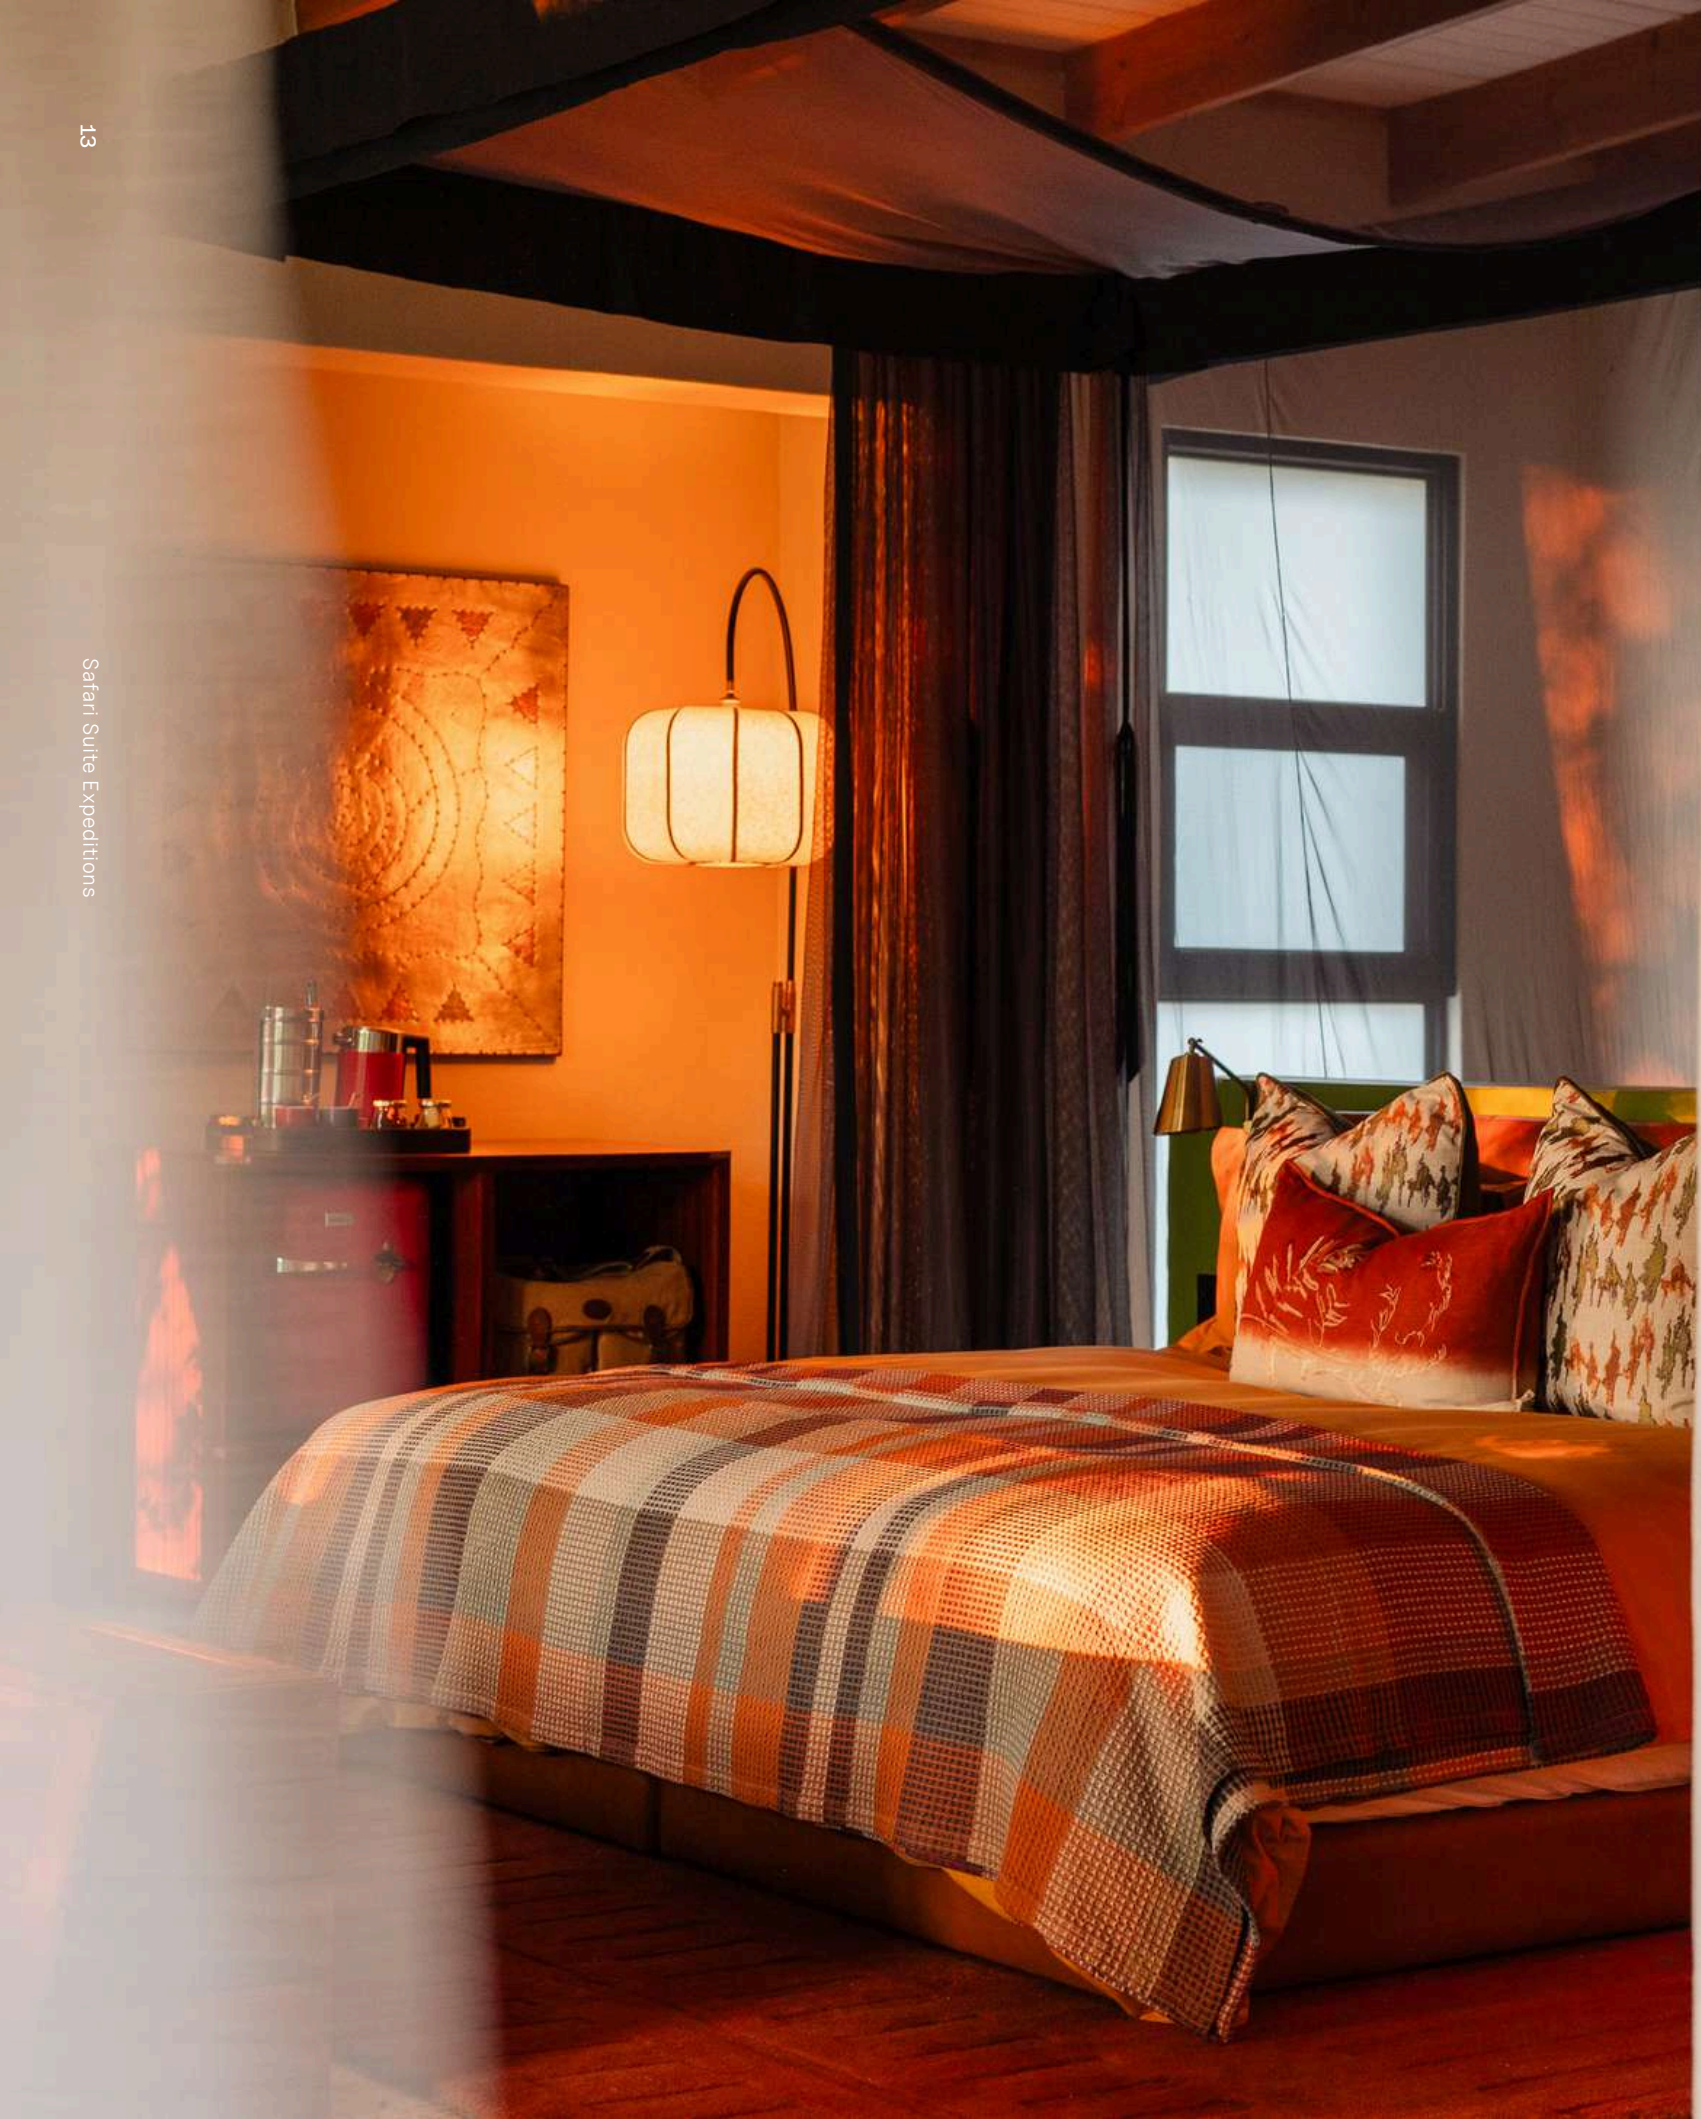

Guests can enjoy generous meals, local and speciality teas, freshly brewed filter coffee and a selection of local house drinks, including South African wines, spirits, beers and non-alcoholic beverages, subject to the applicable terms and conditions.

For families with younger children, early dining options are available to ensure that children are comfortably cared for while parents enjoy the evening safari or dinner experience.
