6 REASONS TO VISIT SARUNI WILD

01. AUTHENTIC UNDER-CANVAS EXPERIENCE

Encounter the true spirit of Africa at Saruni Wild: under canvas and vast African skies, out in the middle of the unspoiled wilderness, surrounded by and becoming a part of Nature – a truly authentic and life-enriching experience.

02. LOCATION, LOCATION, LOCATION...

Saruni Wild is located in the heart of the Masai Mara plains, on the border between the Lemek and Mara North Conservancies. Surrounded by tens of thousands acres of untouched wilderness, the camp has a classic Masai Mara setting, with wildlife regularly passing right through the camp.

03. PERSONAL AND EXCLUSIVE

Privacy and exclusivity are two of the hallmarks of any Saruni Wild safari, alongside personalised service. Our Maasai guides host you, and eagerly share their ancient customs and traditions, as well as their knowledge of the landscape and wildlife. As the proud custodians of this incredible wilderness, they take great delight in revealing its secrets to people who share their passion for conservation and for wild Africa.

04. INCREDIBLE WILDLIFE ENCOUNTERS

The tents of Saruni Wild are set within the natural habitat of many species. The Mara-Serengeti ecosystem, of which the Lemek Conservancy and Saruni Wild is a part, has the highest density of predators and plains game of any wilderness in the World. Each year, this area forms the backdrop to the awe-inspiring Great Wildebeest Migration.

05. UNIQUE WARRIOR PROGRAMME

Our 'Warriors Academy' experience gives you the chance to spend a few days learning the survival skills of the renowned Maasai warriors. They will share this knowledge with you in much the same way that they would teach a junior warrior, and you will learn to track animals and craft tools on the plains of the Masai Mara. This immersive experience is a particularly exciting activity for families with children.

06. COMMUNITY-FOCUSED

Saruni Wild is a founding member of the Mara North Conservancy, which provides jobs, income, training and guidance for the local Maasai. Saruni Basecamp's ecotourism model directly supports conservation – by visiting Saruni Mara, you are directly giving back to the community that protects this beautiful land, improving their quality of life, and giving new meaning and purpose to conservation initiatives.
