2 nights Lukimbi Safari Lodge & 2 nights Idube Game Reserve

Lukimbi is one of only 7 private concessions within Kruger National Park, and at 15000 hectares is the largest. It is located in the southern section of the park, and is bounded by 3 major river systems. The concession offers a diverse array of habitats, including grasslands, wooded thickets, savannahs, drainage lines, dry river beds, rolling hills and lush riverine thickets. It stands to reason that a healthy abundance of wildlife – including the Big Five and a host of other animals, big and small – finds home here.

As a private concession, Lukimbi's visitors are treated to the best of the national public reserve in a highly personalised way. No more than 32 guests at a time enjoy unlimited and exclusive sightings as vehicles are permitted to traverse off-road in a highly controlled manner.

Idube Game Reserve is in the Sabi Sand Reserve, which is a 65,000 hectare, privately owned, reserve on which we traverse 10 500 hectares, and it shares an unfenced boundary with the Kruger National Park. Idube is known for it's Big 5 viewing, and especially it's numerous leopard sightings. Idube is another exclusive lodge, with only 14 rooms, each with its own pool, and is dedicated to giving guests a genuine and informative experience in a friendly, relaxed atmosphere. In between drives, guests can enjoy the pool and bird watch, or relax on their private decks and watch the warthogs and the nyala families on the lawn.

We have designed combination safari packages which give the best of both worlds – including the excitement of the high impact Idube Game Reserve safari where Big Five sightings are almost guaranteed to be ticked off the checklist, and the deeper more personal wilderness experience on the huge and unpopulated concession that is Lukimbi Safari Lodge. Join us for an experience you'll want to come back to.
