

FACTSHEET

GENERAL HOTEL INFORMATION

Tucked away amidst the bushveld lies an oasis of lush green lawns, flowing water and all the luxuries of a gracious lifestyle. It's called Kruger Park Lodge. Built on the banks of the picturesque Sabie River and surrounded by indigenous gardens abundant with bird life, nyala, hippo, impala and other non-predatory wild life, the lodge has something for everyone. Enjoy walking along our nature trail, or relax around one of our three swimming pools or, better still, rise to the challenge offered by our 9-hole Gary Player designed golf course.

ACCOMMODATION

246 Chalets

Units range from 1 to 4 bedroom luxury self-catering chalets, either next to the tranquillity of the Sabie River, or overlooking the Gary Player Golf course. These chalets can accommodate double, single and twin room bookings.
