

LEOPARD HILLS
PRIVATE GAME RESERVE

Big Game Abounds

Leopard Hills Private Game Reserve traverses over 10,000 hectares of the world renowned 'Big 5' Sabi Sand Game Reserve, which forms part of the greater Kruger National Park ecosystem. This exclusive lodge is built on a hill overlooking a natural waterhole offering spectacular game viewing from the private deck of your suite.

Pure Indulgence

Only eight private luxury glass-fronted suites, each with their own deck and rock plunge pool, offer superb views of the African bushveld. The suites are complete with all the comforts you could desire, including air-conditioning, fully-stocked minibar and a romantic bathroom with indoor and outdoor showers. What could be more enchanting than a private dinner served on the deck of your suite?

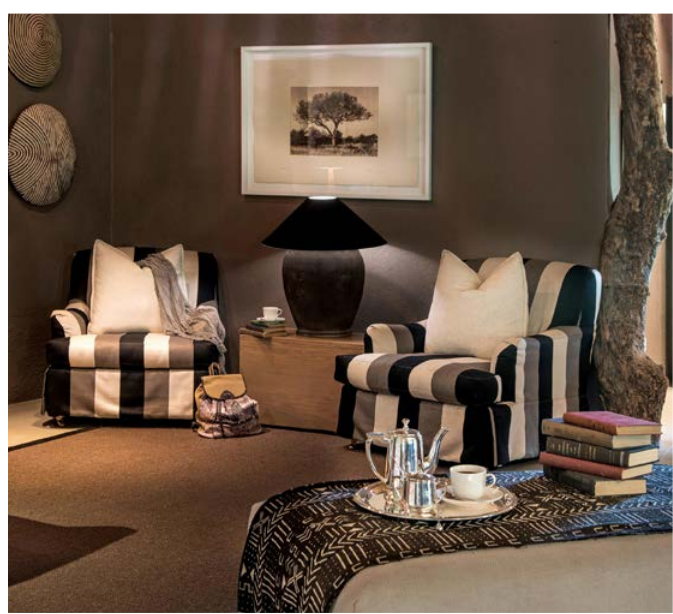

Creative Cuisine

Every meal is a special occasion using the freshest locally produced ingredients. Breakfasts served on the main deck are notable in charm and fulfilment. Lunches are an occasion, served under big shady umbrellas. The personalities of the chef and her team ensure decadent dining and creative settings with every dinner. Indulge in "soul food" full of flavour from around the world, finished with a touch of Africa in every meal.

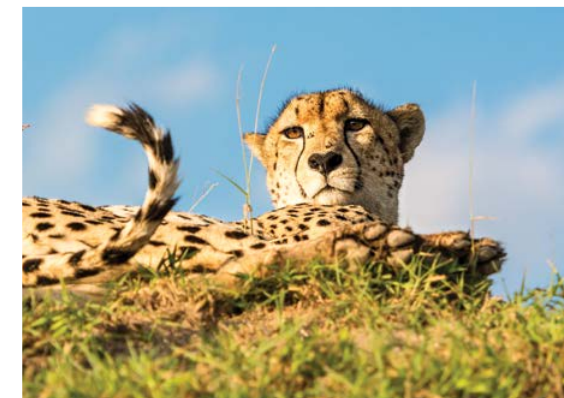

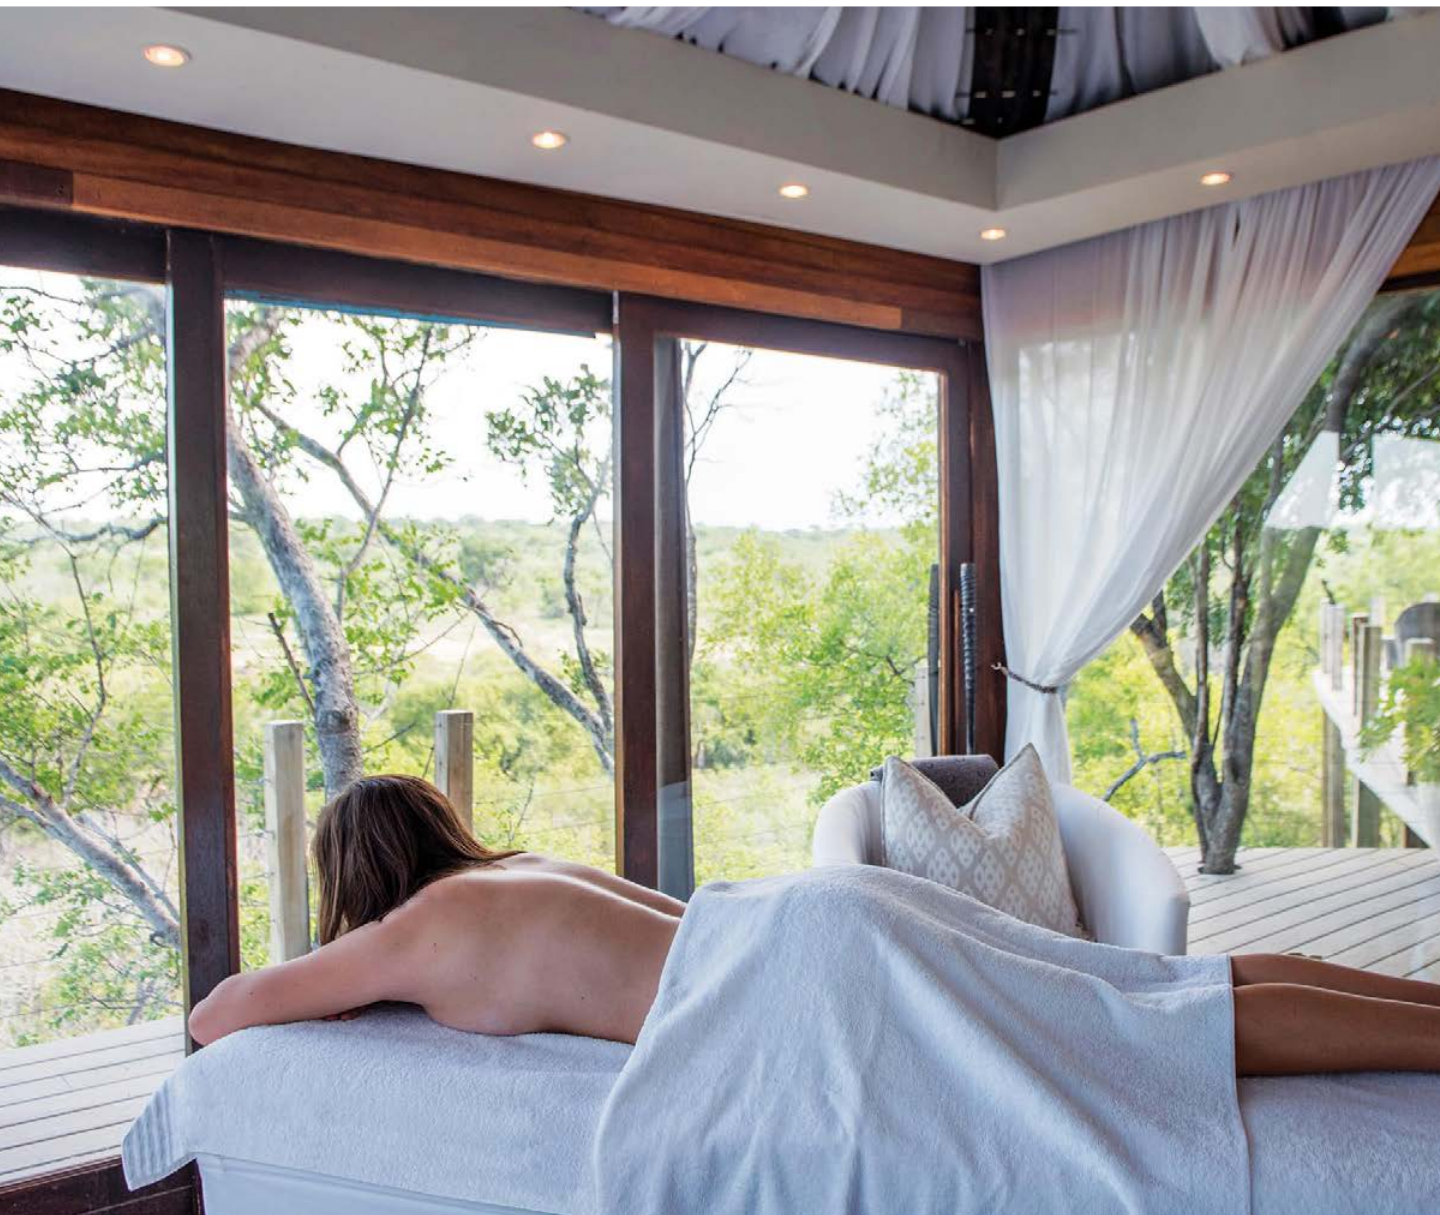

Unforgettable Safaris

Here Africa's big game abounds and each day is different, as you explore the endless fascination of Africa's wildlife in an open game viewer. Leopard on the hunt. Lions roar at twilight. Hippo wallow in the river. Crocodile bask on a sandy bank. Overhead majestic eagles keep watch. Out walking you will discover some of the endlessly captivating, small creatures of Africa. These are just a few of the amazing encounters awaiting you!

Wellness

Our philosophy of natural health is based on nurture, visual inspiration and the use of mother earth's ingredients, to provide you with the most invigorating treatments imaginable.

Experience an array of bush spa treatments in the privacy of your suite, or in the glass walled massage sala overlooking the tranquil ambience of the surrounding bush. While you are being pampered or working out in the gym you may see a herd of elephant drinking at the waterhole!
