LUVO NTEZO

Meet Luvo Ntezo, Head Sommelier at One&Only Cape Town, and your charismatic guide on a journey of wine discovery that begins at the Resort and extends into the famous Cape Winelands and beyond.

‘The wine list at our resort is massive and features both old and new world wines as well as many vertical vintages,’ says Luvo.

‘It’s my job to introduce our guests to new tastes and help them celebrate their favourites – there are no golden or unbreakable rules with wine in my opinion. We want to encourage people to explore their own taste preferences. If we can show them something new to enjoy along the way, we’ve done a good job.’

Whether you are looking to dip into the local wine landscape through a short, one-hour private tasting or plan the ultimate winelands excursion, allow Luvo, with his warmth, charm and vast local knowledge, to curate your ideal experience - planned and tailored according to your preferences.

Luvo has long been heralded as one of the best sommeliers in the world, having traveled extensively as he developed a taste for wine from far flung corners of the Globe. However, having been born and raised in a small town in the Eastern Cape of South Africa, Luvo is a homebody at heart and his passion remains embedded in discovering new wineries and emerging terroirs on African soil.

He spends much time exploring in search of new offerings to One&Only Cape Town’s impressive collection of 5,000 bottles - one of the largest collections in Africa. All for the purpose of sharing them with you.

GOVERNOR JAN VAN RIEBEEK, 2 FEBRUARY 1659

,

ONE SIP^{at a} TIME

These famous words from Governor Jan van Riebeek's diary entry point to a pivotal moment in our history, the day the story of wine in the Cape began. Now, centuries on, the area is considered one of the best in the world for wine production, with countless accolades awarded to its resident farms.

A sophisticated space, both the Wine Loft and the Tasting Table are made to be private, bespoke and beautifully designed - the ideal space for oenophiles. Guests will experience some of the finest local and international vintages on offer, as they enjoy bespoke experiences alongside Luvo and his team.

The Wine Loft was born out of a desire to celebrate this feature of our heritage, a space intended for diners to interact with fellow wine-minded individuals through top-tier, experimental events, broadening your palate, and creating unforgettable memories.

OUR WINE

With almost 700 references, One&Only Cape Town features one of the most balanced and diverse wine collections on the continent. The One&Only Master Wine List showcases wines from across the globe, some rare, some well-known, with emphasis on the incredible varietals and vintages of famous local wine regions such as Constantia, Stellenbosch, Franschhoek and the Hemel-en-Aarde Valley.

SAUVIGNON BLANC

A unique aspect of **Wade Bales Wines** lies in their collaborative efforts. Having worked alongside a number of top wine sommeliers, experts and winemakers for years to create numerous premium wines, a list that now includes One&Only Cape Town's Luvo Ntezo.

Together, Luvo and Wade have created a wonderful Sauvignon Blanc that sings with grassy, green flavours and includes notes of guava, asparagus, passion fruit and kiwi. The Sauvignon Blanc grape varietal also happens to be the 3rd most produced (and enjoyed) varietal in South African wines.

THE ROUGE

Luvo worked alongside **Mischa** Head Winemaker Johan Calitz to create a Bordeaux-style blend, dominated by Cabernet Sauvignon with a subtle undercurrent of Merlot. Distinct black-fruit flavours including blackberries, blackcurrant and sweet spices add to this multi-layered, bold wine, ensuring its complex flavour and allowing for ease of drinking.

Created with longevity in mind, Luvo and Johan worked to ensure this wine would only grow to be better and bolder as time goes on.

CAP CLASSIQUE

The One&Only Brut was created with the intention of celebrating you, our valued guest, and all the special moments you share with us. It is bright, fresh and vintage in style. This delicious Cap Classique features a sherbet-like, biscuity texture and a lovely lemon-cream acidity, designed to be loved by all.

Our 'House' Brut is produced and bottled in partnership with **Simonsig Wine Estate**, a founding member of the Stellenbosch wine route and the very first to produce a bottle of Cap Classique in South Africa in 1962. Cap Classique refers to any sparkling wine produced in the Cape region, using the traditional French method of Champagne.

TO SO MANY,
WINE IS A LOT MORE
THAN A MERE BEVERAGE.
IT HAS ROOTS IN OUR HERITAGE,
OUR CULTURE, OUR IDENTITY
AND IT HAS FOUND A HOME
IN THE HISTORY BOOKS
OF SOUTH AFRICA.
