

LOISABA
TENTED CAMP
—
KENYA

Loisaba Tented Camp

Location: Perched on the edge of an escarpment, Loisaba Tented Camp is designed to capitalize on unhindered views across Laikipia's mottled landscape all the way to Mt Kenya; **Adventure:** a multitude of activities to enjoy the beautiful landscape and rich wildlife from horse riding, camel safaris, mountain biking, fishing, visits to the conservation headquarters...the list goes on; **Exclusivity:** with 4.8km² of wilderness to each bed, Loisaba offers some of the most exclusive safari experiences available in East Africa and not to mention a chance to see the elusive Black Leopard; **Conservation:** a multilateral approach involving community, conservation organisations, tourism partners, agricultural and research institutions.

Special Features In The Area

- ◆ Laikipia has the second largest population of elephant in Kenya and Loisaba is an important breeding area and migration route for the Laikipia elephants.
- ◆ Loisaba is home to the elusive Black Leopard
- ◆ Greater kudu are abundant on the escarpment and valleys. Local wildlife includes also Grevy's Zebra and Beisa Oryx.
- ◆ The Nature Conservancy operates many conservation initiatives from Loisaba including research programs involving Space For Giants Elephant Foundation, the San Diego Zoo Global Reticulated Giraffe Research Program and Lion Landscapes. A visit to the Conservancy Head Quarters offers a wonderful opportunity to find out about the latest research and conservation concepts.
