WELCOME TO SABLE CAMP

Sable Camp was born from The Rattrays' vision for a more private, flexible safari experience within MalaMala. A keen polo player with close ties in Argentina, the bush became a favourite retreat for friends seeking a quieter pace away from the field. This inspired the creation of Sable Camp - an intimate counterpart within the reserve shaped by privacy, ease and a gentler rhythm in the bush.

Set above the Sand River beside MalaMala Camp, Sable offers the same exceptional viewing in a quieter, more contained setting. It suits guests who value privacy, guiding that feels personal, and sightings allowed to unfold without urgency, with time to stay, watch, and let the moment hold.

Into Big Country

Game drives depart twice daily, timed for the hours when the bush is most active. With exclusive traversing across MalaMala's vast wilderness and limited guests per vehicle, each drive offers an immersive wildlife experience, with space to pause, follow, and stay with what unfolds.

A Place For Connection

Intimate by design, the camp suits small groups of friends or families with children. With just seven suites and the option of exclusive use, Sable Camp becomes a quiet base for shared days and easy privacy, where the best moments are often the ones you do not have to leave for.

Wellness

It's all about balance, for mind, body and spirit. Relaxing treatments offer moments of quiet restoration between safaris, while the gym and swimming pool invite a more active rhythm to the day. For a deeper connection to the wilderness, guided nature walks with an experienced guide engage all the senses and reveal the bush from a fresh perspective.

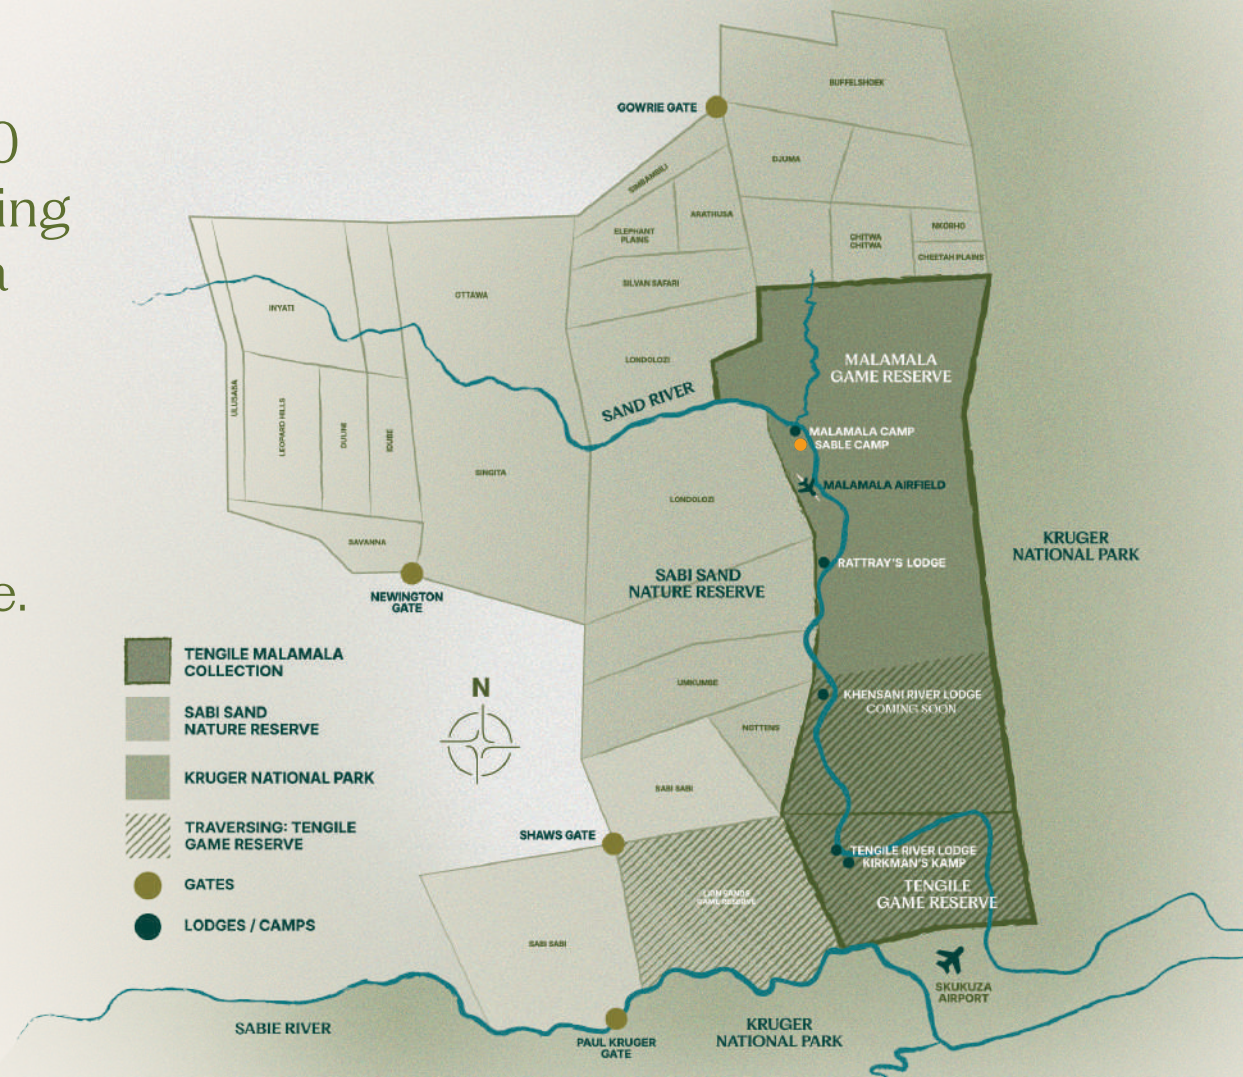

GETTING THERE

Sable Camp offers access to 13,500 hectares (33,000-acres) of traversing area within the renowned MalaMala Game Reserve. Situated between the Sabi Sand Nature Reserve and Kruger National Park. The vast, unfenced wilderness allows wildlife to move freely across the landscape.
