- The following international airlines fly into the region and use local airlines to fly into Dar es Salaam: Swiss Air and KLM.
- We recommend guests choose an in-bound flight arriving in Dar es Salaam in the morning. This will provide ample time to transfer to Thanda Island that same day (or straight away by helicopter).

- Please note that, unless guests are overnighing on Mafia Island, they need to land on Mafia Island before 17h00 as boat transfers cannot leave later than 17h00.
- The boat ride could entail having to wade in shallow water, so please dress appropriately.
