

**Mozambique's wildest bush & beach destination.**

Anvil Bay is a private and exclusive, barefoot-luxury beach experience set on a stretch of untouched coastal wilderness in Mozambique's spectacular Maputo Special Reserve.

Created with a small footprint the camp lazes on the beach under stylish canvas and thatch.

Eleven Casinhas hide in the dune forest on stilted wooden decks, each with its own beachfront.

Experience life close to nature on the miles of exclusive virgin beaches.

Choose to just relax or go on new adventures at sea, on the beach or explore the park's lakes, forests and savannas. Escape to a world of simple pleasures and precious memories of sunrises over the ocean, sunsets across the park's pristine lakes and shimmering landscapes; evenings under the stars around the campfire, miles of untouched beaches and endless activities.
