Mushara LODGE

Mushara Lodge, just 8 km from Etosha's Von Lindequist Gate, offers a serene retreat on the park's eastern edge. The lodge features ten spacious chalets, a family unit, a triple room, and two exclusive villas, all nestled amid the native Mushara trees (*Purple Pod Terminalia*). The thatched main area radiates warmth and character, with a cozy library, inviting bar and wine cellar, elegant dining room, and a comfortable lounge with a fireplace for cool evenings.
