# Mushara **OUTPOST**

Mushara Outpost lies just 10 km from the Von Lindequist Gate of the renowned Etosha National Park. Hosting 16 guests in wood-and-canvas tented structures along an ancient dry riverbed, the Outpost offers warm, old-fashioned hospitality and personal service. The main house, styled like a classic farmhouse with high walls, a tin roof and a wrap-around veranda, exudes the charm of a lived-in home—comfortable, welcoming, and full of light.
