Local/ community links

Tourism revenue has funded a number of initiatives including a child school sponsorship program and a tree nursery project. Seedlings raised in a nursery are given to local families or planted in the community forest. Organically grown fruit and vegetables are sourced from the local community We also provide a gift voucher to each of our guest to shop for souvenir items at Ride 4 a women craft shop in a way of promoting the community. Income from the sale of crafts is used by the craftswomen to buy goats and pigs, as well as the promotion of a household savings and investment programme.
