GETTING YOU CLOSE

KAINGO CAMP
MWAMBA BUSHCAMP

THE SHENTON FAMILY

Kaingo and Mwamba camps are the proud creation of the Shentons, a family of wildlife conservationists spanning three generations.

As a result of their guiding ethos, the phenomenal wildlife on our doorstep and our highly trained and passionate team, our camps appeal to a broad spectrum of safari goers from across the globe.

The varied landscapes and addition of several wildlife hides mean we are also able to cater for more specialist interests such as **walking** and serious **photography**

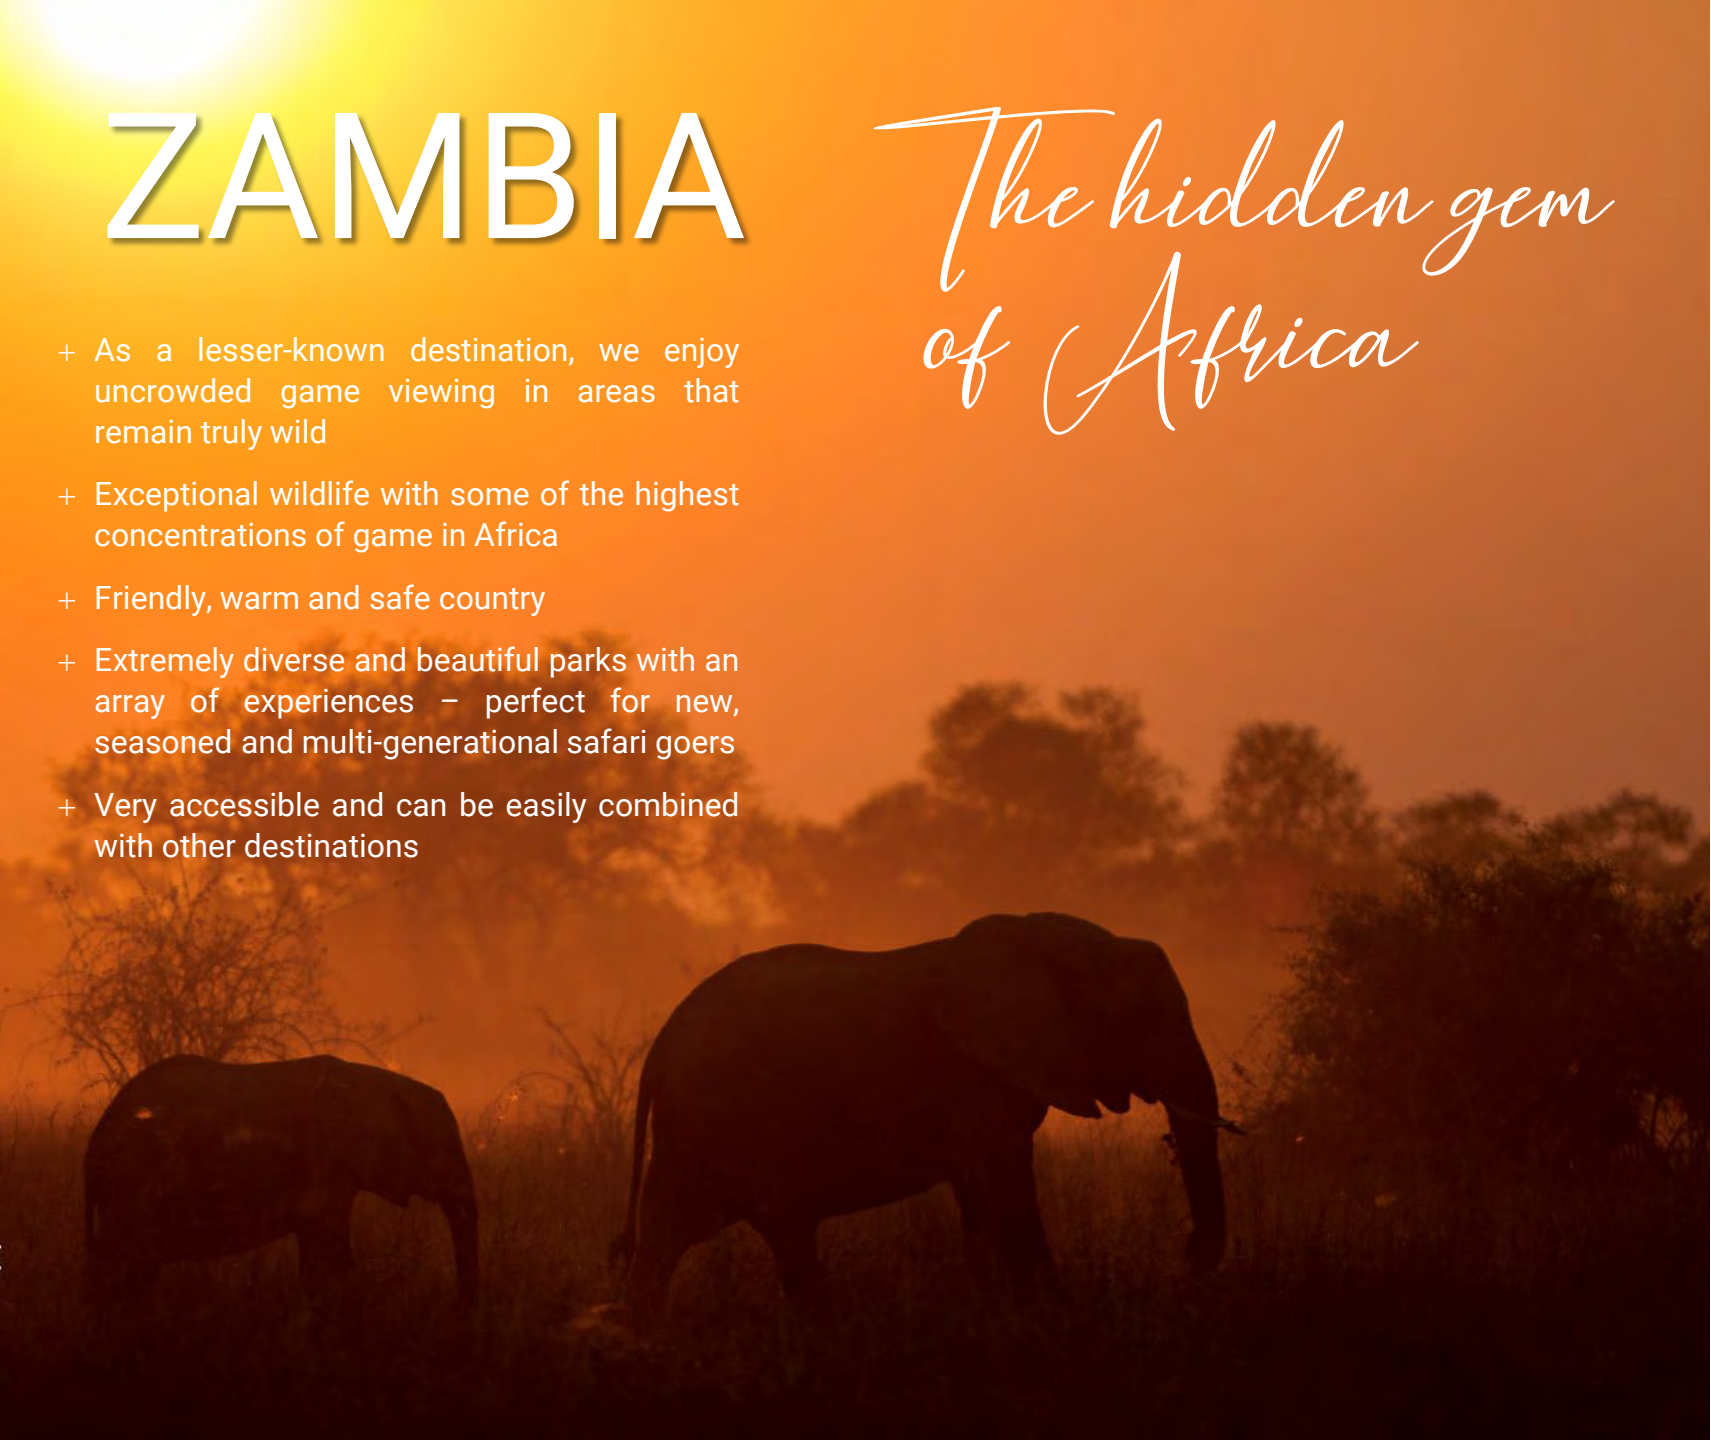

We invite you to share our special corner of Zambia, to be immersed in nature and to get close

ZAMBIA

*The hidden gem
of Africa*

- + As a lesser-known destination, we enjoy uncrowded game viewing in areas that remain truly wild
- + Exceptional wildlife with some of the highest concentrations of game in Africa
- + Friendly, warm and safe country
- + Extremely diverse and beautiful parks with an array of experiences – perfect for new, seasoned and multi-generational safari goers
- + Very accessible and can be easily combined with other destinations

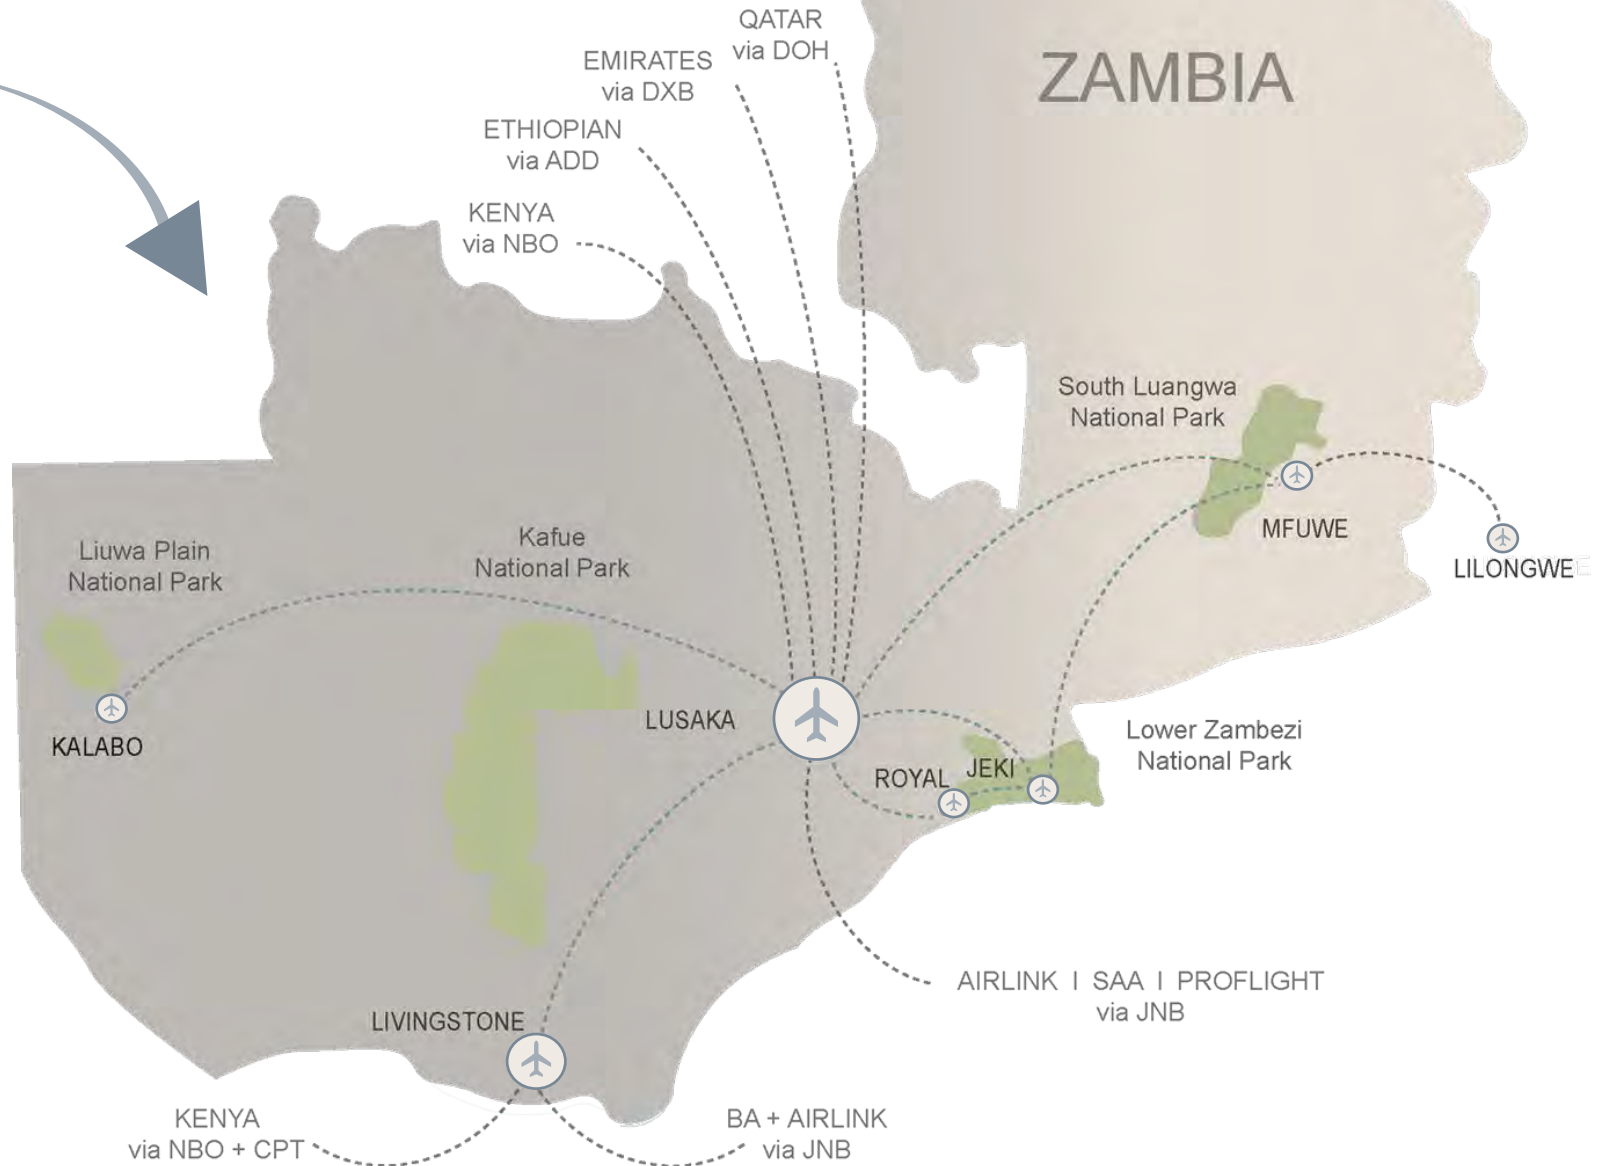

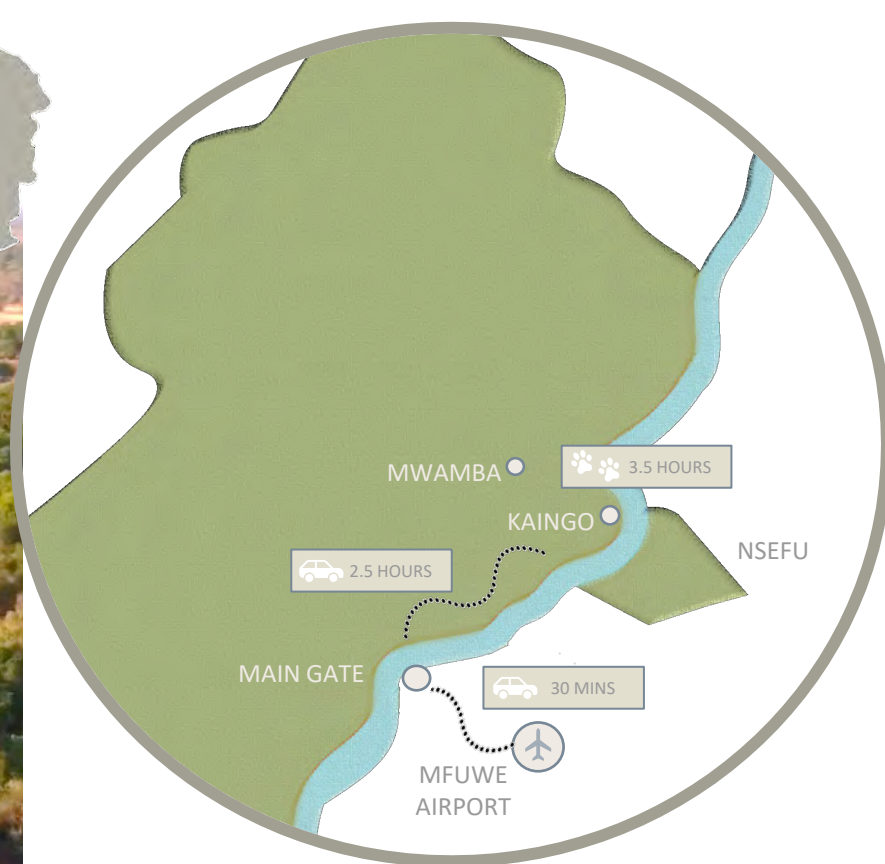

GETTING TO US

- Zambia's capital **Lusaka** is the main hub with daily access via several international airlines
- In addition to flights, road transfers are also easily arranged into **Livingstone** from Zim, Bots and Namibia
- Our domestic airline, Proflight connects the key tourist destinations. Charter flights are also easily arranged

GROUND HANDLING | Let us help you manage the wider itinerary. We are happy to help book domestic flights, transfers and other camps within Zambia based on our expert knowledge and personal experience

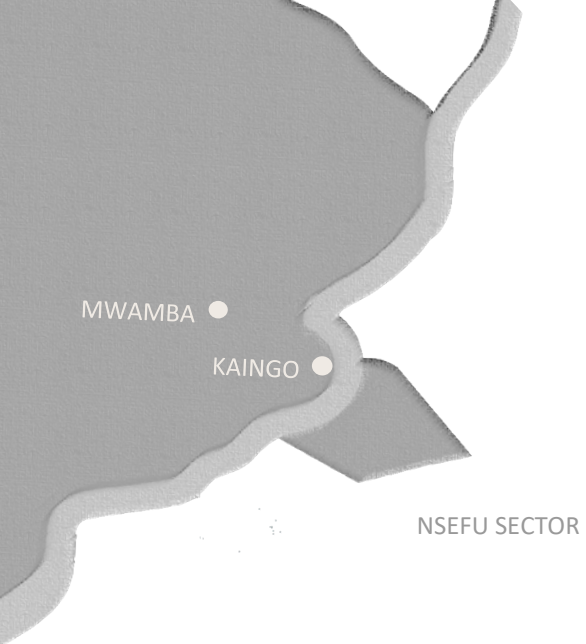

SOUTH LUANGWA

Commonly known as the 'Valley of the Leopard', South Luangwa is regarded as one of the world's greatest wildlife sanctuaries.

Kaingo and Mwamba are located deep within the remote North of the park in an area renowned for its varied landscapes and exceptional game viewing.

- + Remote and pristine wilderness
- + Few camps means crowd free game viewing

LOCATION, LOCATION, LOCATION

+ Large population of carnivores

- *Up to 10 resident leopards*
- *3 – 4 active lion prides*
- *Good population of Hyena*
- *Wild dog sightings increasing*

+ Nsefu sector provides a wider,
protected range

Diverse landscapes and habitats support an array of different species

Our Elephant hide is located at an ancient elephant crossing point. Viewing is spontaneous with guests whisked to the hide when we see these gentle giants' approach

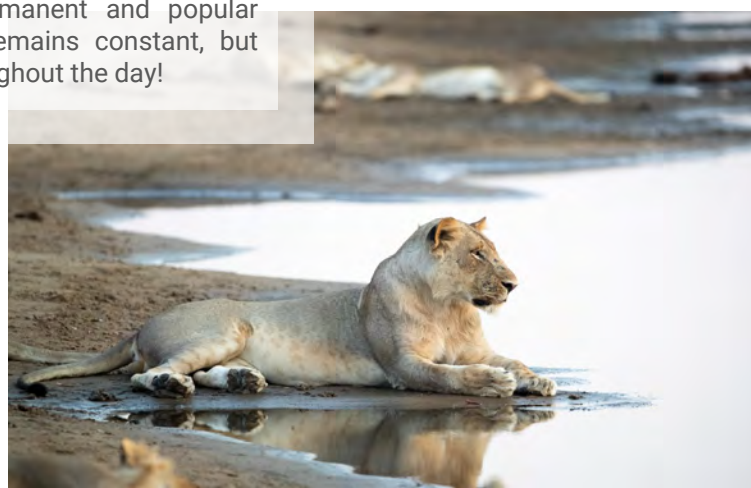

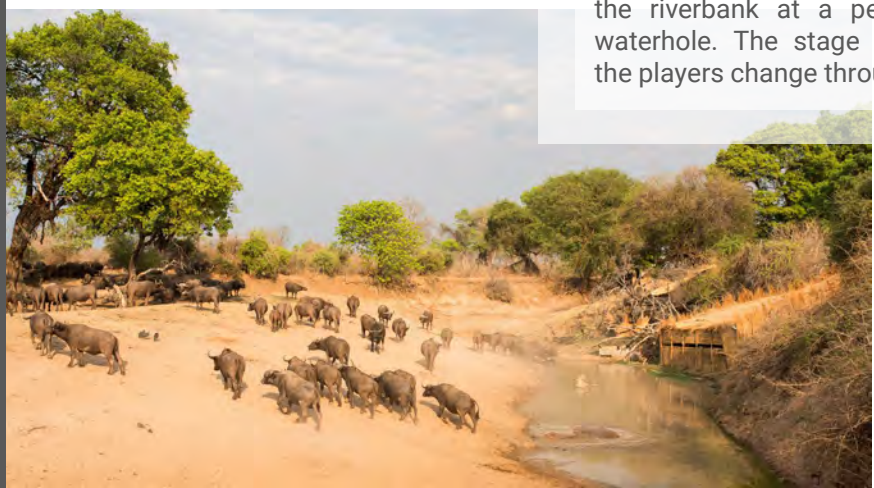

An absolute must for birders, photographers and anyone who loves nature! The Carmine Bee-Eater Hide is available from early September once the Carmines have established their nesting sites.

Exclusive to guests staying at Mwamba, the hide is located within the camp and built into the riverbank at a permanent and popular waterhole. The stage remains constant, but the players change throughout the day!

With nothing but a mosquito net between you and nature, our star beds are a truly awe-inspiring addition to your safari, allowing you to connect with Africa in way few others are lucky enough to experience

- + Kaingo Elephant Hide Sleepout
- + Mwamba Numbu Plain Star Bed
- + Bush Camp Out

For us food is a huge part of the guest's experience. Our team of Chefs love nothing more than creating delicious dishes using homegrown produce and free-range eggs direct from our very own veggie plot in Mfuwe village

We also like to surprise and delight with breakfast and bubbles in the bush or a special sundowner at one of our favourite spots

Welcome to Project Luangwa

Community empowerment
through tourism

GIVING BACK | *Our community*

At the heart of Project Luangwa is the belief in empowering communities through the benefits of tourism

In 2010, Jules Shenton and some of the valley's other tour operators realised the need to empower communities and show the incredible benefits that wildlife and an unspoiled habitat brings to the region.

Every single night a guests spends in our camp contributes towards vital community projects including education and gender support

GIVING BACK | *Our wild world*

Shenton Safaris and every one of our guests actively contribute towards the preservation of SLNP and its wild inhabitants.

CSL's invaluable work includes wildlife rescue and de-snaring, anti-poaching support and human-animal conflict resolution

In addition to serving on the board, Derek Shenton assists anti-poaching patrols gain access to remote areas of the park through road clearing and grading across the year

Why Shenton Safaris?
