KAINGU COMMUNITY TRUST

The Kaingu Community Trust was started together with Kaingu Safari Lodge. It supports projects which benefit the local community and the Itumbi Community School which provides education for over 400 children, as well as the Keela Community School which provides education for over 250 children. \$10 of every guest stay goes towards the Kaingu Community Trust.

All materials and much seasonal produce are sourced from the local communities, who are paid accordingly, in an effort to recognise the value of these resources.

By staying at Kaingu Lodge you are directly supporting our work with local conservation partners ranging from African Parks to research bodies such as the Zambia Carnivore Project. Kaingu provides direct monetary support to various organisations as well as logistical support and fundraising on a continual basis.
