

OL CHORRO RHINO SANCTUARY

 MASAI MARA CAMPS

 OL CHORRO CONSERVANCY,
KENYA

*Rhino Sanctuary: US\$10 per person plus private vehicle from all camps except Mara and Acacia houses
Pre-booking required except Mara and Acacia houses where guests can arrange in camp*

Located at the base of Kilileoni Hill within the Mara Ol Chorro Conservancy is a small rhino sanctuary where guests have the unique opportunity to walk among the three resident white rhinos — a rare treat. During the half-day educational visit, meet one of the rhino rangers and learn more about these modern-day dinosaurs and why they need our protection.

If travelling from camps farther afield a visit here is often paired with a trip to the Mara Elephant Project.
