

Welcome to **SERENGETI** **NORTH WILDERNESS CAMP**

Your front-row seat to the migration

Our seasonal Serengeti North Wilderness Camp is quietly tucked away from the crowds, yet perfectly positioned near key Mara River crossing points. By moving with the herds, we place ourselves in some of the top game viewing areas in the park. The tented camp offers a relaxed, authentic safari experience with personalised service, delicious food and the warm hospitality Tanzania is known for. Thoughtfully designed with sustainability in mind, this eco-conscious camp runs on solar power and features gravity-fed showers powered by an efficient solar water heating system to reduce both water and energy consumption.

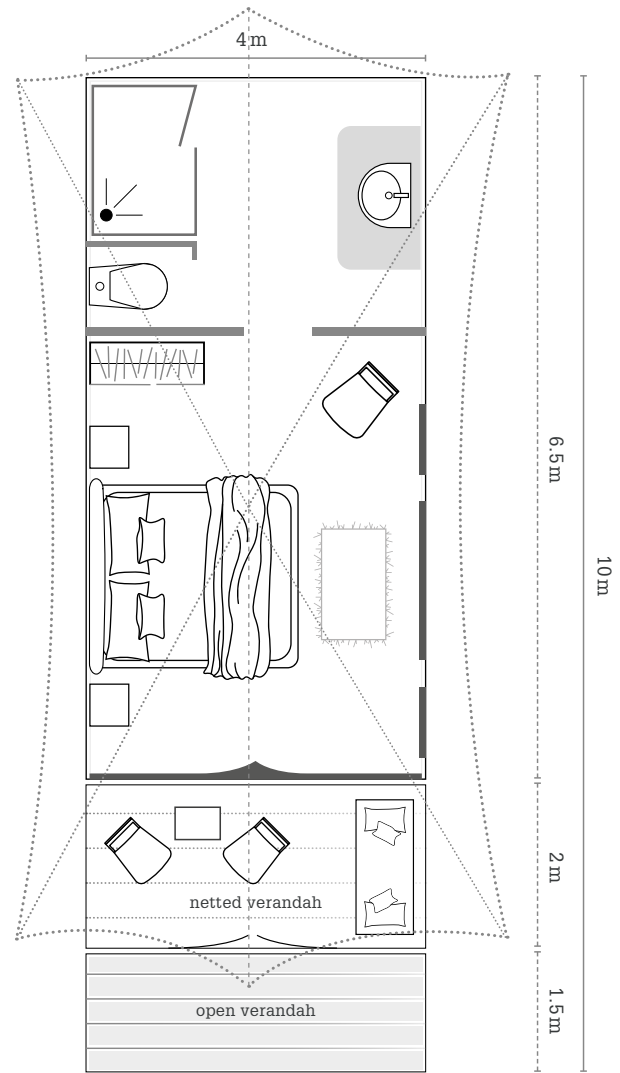

RELAX UNDER CANVAS COMFORT

Ten spacious new tents (10m x 4m) are comfortably furnished and well-spaced for added privacy. Each features a generous verandah with both an open and a cool netted sitting area – perfect for relaxing by day or night. Inside, you'll find an ensuite bathroom with a vanity basin, gravity-fed shower, and toilet. Drift off to sleep to the sounds of nature, then wake to fresh tea or coffee delivered to your tent – best enjoyed on your verandah, which features with a comfy day bed, chairs and a table. The family tent is ideal for families with young children (min age 6 years).

YOUR STAY MATTERS

A portion of every night spent on safari with us contributes to our Sustainable Tourism Fund, supporting projects like the [Kilimanjaro Tree Project](#) and [The Serengeti De-snaring Programme](#).

AT A GLANCE

Kogatende, North Serengeti

30 minute drive from Kogatende airstrip

Full day drive from central Serengeti

Seasonal Camp

Open mid-June to October for peak river crossing season

Open game drive vehicle — available for fly-in safari guests

Dining Tent

Enjoy fresh, seasonal dishes — often served al fresco — with wine, beer and soft drinks included

Lounge Tent

Relax in the lounge tent with a well-stocked bar and library of maps, books and games

Campfire

Enjoy sundowners and snacks by the fire, surrounded by the bush's evening chorus

WiFi

Enjoy free WiFi throughout the camp

Recharging Facilities

USB charging in tents, plus a central station in the lounge

A **dedicated tent** with extra charging and editing space can be set up for photo groups

“ Our 4 days with you was the best African experience we have ever had. The drives were far beyond our expectation and the camp was amazing, immersed in the African bush. Truly it was everything we could have dreamt of and more. ”
