| Overview                   | This memorable 3-day adventure offers our guest a fulfilled and unique African safari experience. Not forgetting the canopy tour, Experiencing craft beer made out of the flowing stream from the magoebaskoof mountain while feeling the early morning breeze. It offers adventurous a full-day exploring the iconic Kruger National Park, guided and a tour of a Kambuka boat river safari. The tour ends with a Qualito gin and whiskey tasting                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
