

Beach Villas

Two four-bedroomed villas enhance the accommodation offering at Alphonse Island. The spectacular villas are ideal for multi-generational families, families and friends and each one can sleep up to eight adults and four children.

Offering spectacular panoramic ocean and garden views, each Beach Villas is 600 square metres in size with four generously appointed double bedrooms, all with luxurious island-style en-suite bathrooms. Large, light-filled open-plan living and dining areas include a fully equipped kitchen and lead to a sun deck and private plunge pool. A private chef can be arranged upon request to create bespoke menus for in-villa dining. Both villas include their own golf buggy.
