

Dining is aft on the fantail, which is heated and protected from weather.

Pilot house visits are welcome; with comfortable bench seating located behind the steering station.

The Observation Lounge

The well-appointed main Salon - with full bar - is a great place to gather for videos, reading, socializing, games and informative presentations.

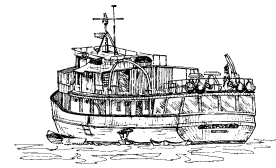

Liseron has 10 guest cabins – each with a queen lower and twin upper bunk – comfortably accommodating 20 guests.

All cabins have private bath with stall shower, double wardrobe, several drawers, a screened picture window, and a screened door which may be latched open.

Temperature controls, standard AC outlets, binoculars, flashlights, towels, linens, hair dryer, shampoo, rinse & body lotion are provided.
