

Cango Caves – Operations Suspended Until Further Notice Due to the Closure of the R328

IMPORTANT UPDATE
CANGO CAVES TEMPORARY CLOSURE

Due to severe weather in the Oudtshoorn and Swartberg area, heavy rainfall has caused rockfalls and flooding. As a result, the R328 access road has been closed due to safety concerns and unstable slopes.

The Cango Caves site is currently closed and not accessible to visitors until further notice.

For assistance with suitable alternatives, itinerary adjustments or updated recommendations, please contact our team.

Thank you for your understanding and continued partnership.

Dear Valued Partner,

We would like to inform you of the current situation regarding the Cango Caves in Oudtshoorn.

Due to severe weather conditions in the Oudtshoorn and Swartberg areas, heavy rainfall has resulted in rockfalls and flooding. As a precautionary safety measure, the R328 access road has been closed due to unstable slopes and hazardous conditions. Consequently, the Cango Caves site is currently closed and inaccessible to visitors until further notice.

Our team is currently reviewing all affected bookings for the coming weeks and will continue to monitor the situation closely, with a further update expected after 27 July 2026.

Should your clients be travelling through the Garden Route and surrounding regions, we kindly recommend contacting our team for assistance with suitable alternative experiences and itinerary adjustments based on your clients' routing and travel requirements.

Kind regards,

The AAA Travel Team
