

WHY WANDERLUST AFRICA?

- **My motto: You wish - I tailor: Personal. Individual. Memorable.** I don't sell pre-packaged deals off the shelf. Therefore, personal contact with you is very important to me. The better I know you and your wishes, the better I can plan your trip of a lifetime down to the smallest detail.
- I know how stressful everyday life can be. For this reason, I also offer **my travel consultation by appointment after working hours or at the weekend.** It is important to me that you are relaxed, because this is the best way to plan a trip.
- For me **personal service comes first.** Not only during travel planning, but also for the duration of your trip. I **can always be reached via my private WhatsApp number.** A service that my guests really appreciate.
- I have **lived in Africa myself for several years** and travel intensively to this fascinating continent; mostly during winter months in Germany. I incorporate **expert knowledge and personal experience** into my trip planning.
- My **certified local partners** have many years of experience in the tourism industry and in their respective African countries. You are in good and competent hands for an **all-round-carefree-safari holiday.**
- For self-drive trips, I work with a **renowned rental car company** and plan all trips with a comfortable and safe vehicle including **fully comprehensive insurance** without any excess fee in case of accident.
- The **big cost factors** during your trip are **already included** in your personal trip proposal and listed individually. There are **no hidden costs.** So you can fully enjoy your trip without worrying about your budget.

You can leave

"Ms. Katzer advised us very competently when planning our trip to South Africa. She responded to our individual requests and created a very nice travel route for us. We felt well looked after by her at all times, especially during our tour. Ms. Katzer is highly recommended as a specialist for South Africa trips. We thank her for this impressive trip in an impressive country!"

Stephanie & Dirk

"Wanderlust Africa helped us to realize exactly the Africa trip that we have always dreamed of. From planning, preparation to implementation, everything went to our complete satisfaction. It was great to always have Wanderlust Africa - in person Alexandra Katzer - at our side. She was always there for us when we had questions and she made our trip as pleasant as possible. We really liked the choice of accommodations. The experiences on the safaris and in the safari lodges were unforgettable. They clearly exceeded our expectations. We are extremely satisfied and hope that this will not be our last trip with Wanderlust Africa, because Alexandra is responsible for the fact that we have 'lost our heart in Africa'."
