Refunds

We pay your money to the TSP from whom refunds must be claimed.

We will facilitate the refund process.

Monies will be refunded in accordance with the TSP's policy which may include cancellation fees, administration fees or denial of application.

We may apply a R1000 per person administration fee as well as retaining any service fees levied by us at the time of booking.

Our commission is non-refundable.

Refunds may take up to eight weeks and in exceptional cases even longer

What can you do to make the most of your trip?

Take out Travel Insurance which is highly recommended – we can assist with this.

Make sure all your travel documentation is in order before departure – your passport should have at least 2 empty pages and six months validity.

Make the TSP immediately aware of any issues and give them an opportunity to rectify the situation. Successful disputes depend on this.

Be tolerant of events beyond your or our control which may cause flight delays/cancellations, etc.

Although these may cause anxiety, the TSP's have procedures in place to deal with such situations and this may include compensation in one form or another.
