

GUEST INFORMATION FORM

PARTY/BOOKING NAME:	
ARRIVAL DATE IN AFRICA:	
YOUR AGENCY OR OPERATOR NAME:	

This document outlines the information required for your travel journey and provides guidelines for various aspects:

Personal Information: Fill out the form for all travellers, including children, tour leaders, and escorts. Ensure it is legible and signed before submitting it to your Travel Designer or Agent.

Flight Information: Share your flight details for international, regional, and domestic flights. This information helps coordinate connections, transfers, and check-in/check-out arrangements.

Weight Information: Personal weight is essential due to aircraft weight regulations. Non-compliance may result in extra costs. Strict luggage guidelines are in place for light aircraft transfers.

Luggage Allowance: Follow specific luggage rules for different regions. Maximum dimensions for bags are provided, and the luggage allowance may vary depending on the type of booking.

Insurance Information: Having travel insurance is strongly recommended due to the nature of the destination. Ensure you provide necessary insurance information for prompt assistance in case of incidents. Insurance must include cover for medical evacuations, medical expenses and repatriation expenses, as outlined on the first page of the attached travel advice

Passport Information: Detailed passport information, including names, nationality, birth and expiry dates, is required. Your passport must be valid for at least six months beyond your departure date. Have sufficient blank visa pages for entry and exit stamps.

Visa Information: Verify visa entry requirements with your travel agent and the relevant consulate. Obtain necessary visas before departure. Ensure the correct duration of stay is noted in your visa/arrival paperwork.

High-Risk Travelers: Guests with medical conditions should carry a medical certificate or letter from a general practitioner. Notify of any changes in health status before travel.

Revised Child Travel Regulations: Unabridged Birth Certificates are no longer required for most foreign minors entering South Africa. Additional documentation is needed for South African children. Foreign minors only need passports in specific situations. Passengers under 18 require an unabridged birth certificate and passport when entering Botswana and Namibia. Ensure all documents are up-to-date, and translations should be provided if necessary. For single parents traveling with their child, specific documents are required, and outdated affidavits are not valid.

Please contact your respective Travel Agent or Travel Designer should you require more details on the above. Electronic signatures are accepted on this document and seen as legally binding.
